- We believe families, school personnel, and community should work cooperatively to meet the educational needs of students.
- We believe that our schools should provide the best resources possible to meet the current and future needs of students.

***While many of these handbook policies, procedures, and fees are outlined, the administration reserves the right to adjust, add, or delete policies, procedures, or fees during the school year if it serves the best interests of the district.***

## **VISITORS**

**We welcome parent involvement and encourage your support. For the safety of all children, visitors must enter the main doors by the office and report to the office to sign in. PLEASE DO NOT GO DIRECTLY TO THE CHILDREN'S CLASSROOM, CAFETERIA, OR PLAYGROUND.**

All doors will be locked once school starts.

## **REPORTING ABSENCES**

- Parents are required to call the school prior to 9:30 A.M. in order to report their child's absence.

## **ATTENDANCE REQUIREMENTS**

- Students are urged to make doctor appointments, etc. outside of school hours.
- Vacation requests during the school year must be approved by the building principal. At least two weeks prior, the parent must present a letter noting dates of absence, destination, and return to school date. Vacation will not be approved during state-mandated test weeks.
- Vacation and unexcused absences do not require the teacher to furnish make up work and will be addressed on an individual basis.
- Parents may be required to present a physician's statement verifying the necessity of subsequent absences.

## **LATE STUDENTS**

Please report to the office.

## **SUPERVISION IN THE A.M.**

Isham	8:30 AM
Lincoln	8:40 AM

Valley View	8:35 AM

## **CAFETERIA**

Wadsworth City Schools participates in the National School Lunch and Breakfast program. Some students may qualify for free or reduced-priced meals. Applications are available in each office. We encourage all families to apply to determine eligibility.

Lunch is served in all buildings to students in grades K-4. Breakfast is served at Franklin, Isham, and Lincoln Elementary buildings. Meal times are designated by each individual building. Menus and pricing information are posted on-line at [www.wadsworthschools.org](http://www.wadsworthschools.org) under "Lunch Menus".

Food services operates under a Point of Sale (POS) system, which means each student must type in their student ID# in order to purchase any item. Under POS, each student has an account. Line speed is greatly accelerated by having existing money on a student account. Therefore, parents are encouraged to send money in the form of checks to be placed on student accounts. Monies on an account are eligible for meals and à la carte items. However, this money is not available for vending machines. All money left on the account at the end of the school year stays with the student and will transfer to the next grade. Thus, refunds are only granted if a student withdraws. POS has the ability to block specific purchases or honor parental requests. Under POS a student can charge two (2) lunches. After two charges the student will receive a peanut butter sandwich and white milk. Charge privileges are then discontinued until the balance is paid off. Unpaid balances turn into student fees at the end of the school year.

### **Cafeteria Procedures**

- Students are expected to use good manners and conduct themselves responsibly in the lunchroom.
- Students are to sit at the assigned tables for their grade levels.
- Students will be expected to clean up their area and raise their hands to request to be excused.
- Students are not to bring pop to school for lunch.
- For safety reasons no glass containers are permissible.
- Due to banks refusal we cannot accept Canadian coins.
- We encourage you to join us for lunch with your student, however, no outside food can be brought in for lunch. Example: McDonald's, Wendy's. If you would like to purchase a lunch to eat with your child, please contact the office by 9:30 AM.

### **EARLY DISMISSAL OF PUPILS**

- Students, who must leave the building during the day, must bring a written excuse to that effect and present it to the school secretary upon arrival in the morning.

- The parent will report to the office to call for the student.
- **All students are to be signed out and picked up at the office.**
- A note signed by the Doctor is needed to verify appointments.

### **BUS RIDERS**

- Bus riders will be put on the bus unless the office is notified prior to the bus dismissal by note or phone call from the parents.
- Students not riding the bus will be released at dismissal and should be picked up and signed out at the office unless prior written notice has been given.
- If there is a change in transportation a written note by the parent/guardian must be submitted to the office early in the morning **each** day of a change in transportation. **IF NO NOTE IS RECEIVED, YOUR CHILD WILL BE SENT HOME BY REGULAR MEANS OF TRANSPORTATION.** If you send someone to pick up your child, please identify them in your note. The above also applies to walkers.

### **WALKERS**

- We encourage children to walk home everyday.
- Children are not permitted to play on the playground after school unless supervised by a parent.

**Children that are walkers will be asked to walk on the sidewalks and designated walk ways. They will not be permitted to walk through the parking lot or between parked cars. They are expected to go directly home.**

### **BIKE RIDERS**

- Bike riders are encouraged to wear helmets.
- Bikes must be parked in the bike rack.
- Bike riders are expected to walk their bikes on school property.

### **TOYS**

Toys, cell phones, electronic games or other electronic devices are not permitted in school. Items will be confiscated until a parent picks them up in the office.

Children should not bring toys from home unless permitted by teacher for special event. Cherished objects are easily lost, stolen, or broken and cause classroom distractions. School personnel cannot assume responsibility for missing items.

### **BIRTHDAY CELEBRATIONS:**

In support of our district Health and Wellness policy, we ask that you **do not send in food treats** for birthdays. Stickers, pencils, erasers or other non-edible treats are welcome to be distributed instead.

Also, please do not send birthday invitations in with your child to hand out in class unless every student receives one.

### **LOST & FOUND**

Please check the lost and found periodically for missing items.

### **MEDICATIONS**

Before any prescription medication may be given to a student by school personnel, a medical form requesting the administration of medication must be completed and signed by the doctor. This form is available in the office.

A similar medication form must be signed by the parent/guardian if over-the-counter medications need to be administered.

**Children carrying their own inhalers or Epi-Pens must also have a medication form on file.**

### **SCHOOL CLOSING**

In the event of school closing or two-hour delay, accurate information will be made available to parents and staff members through the following stations: WEWS TV 5, FOX TV 8, WKYC TV 3, WOIO/WUAB TV 19, ohio.com and WAKR/WQX. The *AlertNow*® Phone Calling System will also be utilized. The Wadsworth City Schools are NOT part of the Medina County School system.

**Health Aides:** All schools will have a School Health Aide in the clinic for several hours a day. The School Health Aide has been trained in basic first aid, will administer medications and do vision and hearing screenings. The School Nurse will supervise the School Health Aides.

Please contact the School Nurse by calling 330.335.1403, extension 55142, if you have questions or concerns about your child's medical condition.

### **OASIS TUTORS**

Senior Citizen volunteers build literacy skills with teacher-selected first and second graders. The volunteers are trained and work with individual students.

### **PARENT/TEACHER CONFERENCES**

Parent conference is an opportunity to arrive at a mutual understanding and a working relationship with school personnel.

Concerns need not wait until the conference days. It is desirable to discuss problems and concerns as they arise. Contact your child's teacher to make arrangements.

## **PARENT VOLUNTEERS**

Any individual who wishes to volunteer in our Kindergarten through 4<sup>th</sup> grade classes *may* need to complete a background check and be Board approved. Ohio Revised Code requires both the BCI (Ohio) and FBI (National) checks. Parents who volunteer and have **no** unsupervised interaction with students do not need background checks. Parents who volunteer and have unsupervised interaction with students with no direct supervision by a WCS employee will need to complete a background check. Please notify your building principal if you are interested in being a parent volunteer.

## **STUDENT CODE OF CONDUCT - also applies as students travel to and from school.**

It is the policy of the Wadsworth City School District Board of Education to have zero tolerance for violent, disruptive, or inappropriate behavior, including excessive truancy. The Board believes that discipline in the school provides each student with the most favorable atmosphere for learning. It recognizes that the incorporation of limits and controls by individual students is an important part of the learning process. It believes that limits on the individual are necessary for the orderly function of any society. Rules and regulations are necessary for the orderly function of an orderly and safe school environment that is conducive to teaching and learning.

It is considered a fundamental understanding by each student and his/her parents that any teacher or school official has not only the right, but the duty, to insist on good behavior. The right of discipline extends to all areas of the

school program. Ultimately, however, the conduct of a student is the legal responsibility of his/her parents or guardians. One of the most important lessons education should teach is discipline. While it does not appear as a subject, it underlies the entire education structure. It is the training that develops self-control, character, orderliness, and efficiency. It is the key to good conduct and proper consideration for other people.

### **Bylaws & Policies**

#### 5610 - REMOVAL, SUSPENSION, EXPULSION, AND PERMANENT EXCLUSION OF STUDENTS

The Board of Education recognizes that exclusion from the educational program of the schools, whether by emergency removal, out-of-school suspension, expulsion, or permanent exclusion, is the most severe sanction that can be imposed on a student in this District, and one that cannot be imposed without due process. However, the Board has zero tolerance of violent, disruptive or inappropriate behavior by its students.

No student is to be removed, suspended out-of-school, expelled and/or permanently excluded unless his/her behavior represents misconduct as specified in the Student Code of Conduct/Student Discipline Code approved by the Board. The Code shall also specify the procedures to be followed by school officials when implementing such discipline. In addition to the procedural safeguards and definitions set forth in this policy and the student/parent handbook, additional procedures and considerations shall apply to students identified as disabled under the IDEA, ADA, and/or Section 504 of the Rehabilitation Act of 1973. (See Policy 5605 "Suspension/Expulsion of Disabled Students.")

Students may be subject to discipline for violation of the Student Code of Conduct/Student Discipline Code even if that conduct occurs on property not owned or controlled by the Board but where such conduct is connected to activities or incidents that have occurred on property owned or controlled by the Board, or conduct that, regardless of where it occurs, is directed at a District official or employee, or the property of such official or employee.

For purposes of this policy and the Student Code of Conduct/Student Discipline Code, the following shall apply:

- A. "Emergency removal" shall be the exclusion of a student who poses a continuing danger to District property or persons in the District or whose behavior presents an on-going threat of disrupting the

educational process provided by the District. (See Policy 5610.03 "Emergency Removal")

- B. "Suspension" shall be the temporary exclusion of a student by the Superintendent, principal, assistant principal, or any other administrator from the District's instructional program for a period not to exceed ten (10) school days. Suspension shall not extend beyond the current school year, if at the time a suspension is imposed, fewer than ten (10) days remain in the school year.

The Superintendent may instead require a student to participate in a community service program or another alternative consequence for a number of hours equal to the remaining part of the period of the suspension. The student shall be required to begin such community service program or alternative consequence during the first full week day of summer break.

The Superintendent may develop a list of appropriate alternative consequences, and set forth such list in the applicable guidelines.

In the event, the student fails to complete the required community service or the assigned alternative consequence, the Superintendent may determine the next course of action. Such course of action, however, shall not include requiring the student to serve the remaining time of the suspension at the beginning of the following year.

The procedures for suspension are set forth in the Student Code of Conduct/Student Discipline Code and Policy 5611 - Due Process Rights.

Students are permitted to make up all work missed during a suspension for full credit.

- C. "Expulsion" shall be the exclusion of a student from the schools of this District for a period not to exceed the greater of eighty (80) school days or the number of school days remaining in a semester or term in which the incident that gives rise to the expulsion takes place or for one (1) year as specifically provided in this policy and the Student Code of Conduct/Student Discipline Code. Only the Superintendent may expel a student. The procedures for expulsion are set forth in the Student Code of Conduct/Student Discipline Code and Board Policy 5611 "Due Process Rights".

1. **Firearm or Knife**

Unless a student is permanently excluded from school, the Superintendent shall expel a student from school for a period of one (1) year for bringing a firearm or knife to a school building or on to any other property (including a school vehicle) owned, controlled, or operated by the Board, to an interscholastic competition, an extra-curricular event, or to any other school program or activity that is not located in a school or on property that is owned or controlled by the Board, except that the Superintendent may reduce this period on a case-by-case basis in accordance with this policy. Similarly, the Superintendent shall expel a student from school for a period of one (1) year for possessing a firearm or knife at school or on any other property (including a school vehicle) owned, controlled, or operated by the Board, at interscholastic competition, an extra-curricular event, or at any other school program or activity that is not located in a school or on property that is owned or controlled by the Board, except the Superintendent may reduce this period on a case-by-case basis in accordance with this policy. The expulsion may extend, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place. The Superintendent shall refer any student expelled for bringing a firearm (as defined in 18 U.S.C. 921(a)(3)) or weapon to school to the criminal justice or juvenile delinquency system serving the District.

A firearm is defined as any weapon, including a starter gun, which will or is designed to or may readily be converted to expel a projectile by the action of an explosive, the frame or receiver of any such weapon, any firearm muffler or silencer, or any destructive device. A destructive device, includes, but is not limited to any explosive, incendiary, or poison gas, bomb, grenade, rocket having a propellant charge of more than four (4) ounces, missile having an explosive or incendiary charge of more than one-quarter ounce, mine, or other similar device.

A knife is defined as any weapon or cutting instrument consisting of a blade fastened to a handle; a razor blade; or any similar device (including sharp, metal martial arts weapons such as ninja throwing stars) that is used for, or is readily capable of, causing death or serious bodily injury.

The Superintendent may, in his/her sole judgment and discretion, modify or reduce such expulsion in writing, to a period of less than one(1) year, on a case-by-case basis, upon consideration of the following:

- a. Applicable State or Federal laws and regulations relating to students with disabilities (for example, where the incident involves a student with a disability and the misconduct is determined by a group of persons knowledgeable about the child to be a manifestation of the student's disability);
- b. The degree of culpability given the age of the student and its relevance to the misconduct and/or punishment and/or evidence regarding the probable danger posed to the health and safety of others, including evidence of the student's intent and awareness regarding possession of the firearm or knife; and/or
- c. The academic and disciplinary history of the student, including the student's response to the imposition of any prior discipline imposed for behavioral problems.

2. **Violent Conduct**

If a student commits an act at school, on other school property, at an interscholastic competition, extra-curricular event, or any other school program or activity and the act:

- a. would be a criminal offense if committed by an adult;

and

- b. results in serious physical harm to person(s) as defined in R.C. 2901.01(A)(5), or to property as defined in R.C. 2901.01(A)(6)

the Superintendent may expel the student for a period of up to one (1) year. The Superintendent may extend the expulsion into the next school year or reduce the expulsion as necessary on a case-by-case basis as specified below. The student need not be prosecuted or convicted of any criminal act to be expelled under this provision.

The Superintendent may, in his/her sole judgment and discretion, reduce such expulsion to a period of less than one (1) year, on a case-by-case basis, upon consideration of the following:

- a. Applicable State or Federal laws and regulations relating to students with disabilities (for example, where the incident involves a student with a disability and the misconduct is determined by a group of persons knowledgeable about the child to be a manifestation of the student's disability);

or

- b. other extenuating circumstances, including, but not limited to, the academic and disciplinary history of the student, including the student's response to the imposition of any prior discipline imposed for behavioral problems.

If at the time of the expulsion, there are fewer days remaining in the school year than the number of days of the expulsion, the Superintendent may apply any or all of the remaining period to the following school year.

3. **Bomb Threats**

If a student makes a bomb threat to a school building or to any premises at which a school activity is occurring at the time of the threat, the Superintendent may expel the student for a period of up to one (1) year. The Superintendent may extend the expulsion into the next school year or reduce the expulsion as necessary on a case-by-case basis as specified below. The student need not be prosecuted or convicted of any criminal act to be expelled under this provision.

The Superintendent may, in his/her sole judgment and discretion, reduce such expulsion to a period of less than one (1) year, on a case-by-case basis, for the following reasons:

a. for students identified as disabled under the IDEA, ADA, and Section 504 of the Rehabilitation Act of 1973, upon recommendation from the group of persons knowledgeable of the student's educational needs;

or

b. other extenuating circumstances, including, but not limited to, the academic and disciplinary history of the student, including the student's response to the imposition of any prior discipline imposed for behavioral problems.

If at the time of the expulsion, there are fewer days remaining in the school year than the number of days of the expulsion, the Superintendent may apply any or all of the remaining period to the following school year.

D. "Permanent exclusion" shall mean the student is banned forever from attending a public school in the State of Ohio. (See Policy 5610.01)

If a student is expelled for more than twenty (20) school days or for any period of time that extends into the next school year, the Superintendent shall provide the student and his/her parents with the names, addresses, and telephone numbers of those public or private agencies in the community which offer programs or services that help to rectify the student's behaviors and attitudes that contributed to the incident(s) that caused the expulsion.

If the Superintendent determines that a student's behavior on a school vehicle violates school rules, s/he may suspend the student from school bus-riding privileges for the length of time deemed appropriate for the violation and

remediation of the behavior. Any such suspension must comply with due process and the Student Code of Conduct/Student Discipline Code.

The Board authorizes the Superintendent to provide for options to suspension/expulsion of a student from school which may include alternative educational options.

The Superintendent shall initiate expulsion proceedings against a student who has committed an act that warrants expulsion under Board policy even if the student withdraws from school prior to the hearing or decision to impose the expulsion. The expulsion must be imposed for the same duration it would have been had the student remained enrolled.

The Board may temporarily deny admittance to any student who has been expelled from the schools of another Ohio district or an out-of-state district, if the student's expulsion period set by the other district has not expired. The expelled student shall first be offered an opportunity for a hearing. This provision also applies to a student who is the subject of a power of attorney designating the child's grandparent as the attorney-in-fact or caretaker authorization affidavit executed by the child's grandparent and is seeking admittance into the schools of this District in accordance with Policy 5111.

The Board may temporarily deny admittance to any student who has been suspended from the schools of another Ohio district, if the student's suspension period set by the other district has not expired. The suspended student shall first be offered an opportunity for a hearing before the Board.

When a student is expelled from this District, the Superintendent shall send written notice to any college in which the expelled student is enrolled under Postsecondary Enrollment Options at the time the expulsion is imposed. The written notice shall indicate the date the expulsion is scheduled to expire.

If the expulsion is extended, the Superintendent shall notify the college of the extension.

The Superintendent may require a student to perform community service in conjunction with or in place of a suspension or expulsion. The Board may adopt guidelines to permit the Superintendent to impose a community service requirement beyond the end of the school year in lieu of applying the expulsion into the following school year.

- C. Emergency Removal is defined as the denial to a student whose presence poses a continuing danger to persons or property or an on-going threat of disrupting the academic process taking place either within a classroom or elsewhere on the school premises for a period not exceeding three (3) school days, of permission to attend school and to take part in any school function.

Pending completion of the procedures set forth in sections A or B, when circumstances are such that a student's continuing presence in school is reasonably certain to pose a continuing danger to persons or property or an on-going threat of disrupting the academic process taking place either within the classroom or elsewhere, on the school premises or at school-sponsored or related activities or events, the Superintendent or principal or assistant principal may remove a student from curricular or extracurricular activities or from the school premises, without complying with the notice and hearing requirements of section A or B. In like circumstances, a teacher may remove a student from curricular or extracurricular activities under his/her supervision, without complying with the notice and hearing requirements of section A or B. As soon as practicable after making such removal, the teacher shall submit the reasons, in writing, for such removal to the principal.

If a student is removed under this subparagraph, written notice of the reason(s) for the removal and written notice of the hearing to be held regarding the removal shall be given to the student, as soon as practicable, prior to the hearing. The hearing must be held within three (3) school days from the time the initial removal is ordered.

The hearing shall be held in accordance with the procedure set forth in section A above, pertaining to suspension, unless it is probable that the student may be subject to expulsion. In that event, hearings shall be held in accordance with the procedure set forth in section B above, except that the hearing shall be held within three (3) school days of the initial removal. The school official who ordered, caused or requested the student's removal under this Article shall be present at the hearing.

This procedure shall not and need not be followed in cases when a student is removed from one (1) or more curricular activities for a period of less than twenty-four (24) hours and is not subject to suspension or expulsion.

- D. Permanent Exclusion – The Board may seek the permanent exclusion of a student sixteen (16) years of age or older who is either convicted in criminal court or adjudicated delinquent by a juvenile court for any of the following offenses that occur on school grounds or at a school function:
1. Illegal conveyance or possession of deadly weapons or dangerous ordinance.
  2. Carrying concealed weapons.

3. Selling or offering to sell or possessing a controlled substance.
4. Aggravated murder, murder, voluntary manslaughter, involuntary manslaughter, felonious assault, rape, gross sexual imposition or felonious sexual penetration if the victim is a school employee.
5. Complicity in any of the above-described violations regardless of whether the act of complicity was committed on school property or at a school activity.

When a proposed suspension is for any of the above reasons and the student is age sixteen (16) or older, the parent and student will be notified that the student may also be subject to permanent exclusion from school if the student is convicted or adjudicated a delinquent child for that violation. Any action to permanently exclude a student will be in compliance with R.C. 3313.662.

E. Disciplinary Removal is an action less severe than suspension, expulsion or emergency removal and is defined as the removal of the student from a class or from participation in an extracurricular activity. No disciplinary removal may extend beyond five (5) days.

1. A student may be removed from a class or other curricular activity where the student engages in conduct which tends to interfere with or disrupt the class or curricular activity or for violation of code or school rules and regulations.
2. A student may be removed from an extracurricular activity in which s/he has been accepted or qualified for membership where the student engages in conduct which tends to interfere with or disrupt the extracurricular activity or where the student violates the rules or regulations which govern participation in the extracurricular activity.
3. Before a student is removed from a curricular or extracurricular activity for more than twenty-four (24) hours, the student shall be given written notice of the intention to remove and the reasons for the intended disciplinary removal. The student will be given an opportunity to appear at an informal hearing before the Superintendent, Superintendent's designee, principal or assistant principal to challenge the reasons for the intended disciplinary removal or otherwise explain his/her actions.

- F. In-School Detention is less severe than suspension and is defined as a removal of the student, for a period of at least one (1) but not more than ten (10) days, from his/her regularly scheduled classes.

Before a student is placed on in-school detention, the student shall be given written notice of the intention to impose in-school detention and the reasons for the intended in-school detention. The student will be given an opportunity to appear at an informal hearing before the Superintendent, Superintendent's designee, principal, or assistant principal to respond to the reasons (or otherwise explain his/her actions) for the intended in-school detention. No additional notices or appeal rights are required.

#### Appeals to the Board

- A. Pursuant to the Code of Student Suspension, Expulsion or Removal, a student or his/her parent, guardian or custodian may appeal his/her suspension, expulsion or removal to the Board or its designee. Notice of such appeal shall be filed, in writing, with the Treasurer of the Board within five (5) days of the suspension or within fourteen (14) days of the expulsion. The student or his/her parent, guardian or custodian may be represented in the appeal proceeding and shall be granted a hearing before the Board or its designee to be heard against the suspension or expulsion.

If an appeal is taken before the Board or its designee, such appeal may, upon the request of the student, his/her parent, guardian or custodian or attorney, be heard in executive session.

The Board, by a majority vote of its full membership, or by the action of its designee, may affirm the suspension or expulsion or may reinstate the affected student or may otherwise reverse, vacate or modify the order of suspension or expulsion.

- B. The Director of Instruction and Professional Development is hereby appointed as designee to hear all suspension appeals. As designee, the Director of Instruction and Professional Development's decision shall be considered automatically adopted by the Board, without the necessity for any further Board action.
- C. The Board shall hear its own expulsion appeals, unless it appoints a designee, on a case-by-case basis. In the case of expulsion, all expulsions may be heard in executive session at the election of the party appealing. The Board shall take action on the expulsion appeal in public session.

- D. A verbatim record shall be kept of all hearings under this paragraph.
- E. Decisions of the Board or its designee may be appealed under Chapter 2506 of the revised code.

### Searches

In accordance with Policy 5771, school officials may search a student or a student's property when there are reasonable grounds to suspect the presence of contraband that violates the law or school rules. Dogs trained in the detection of illegal drugs and/or weapons may patrol school facilities and premises. A dog altering to an object is considered reasonable grounds for a search. Vehicles on school property are also subject to search. Student lockers are the property of the Board and are subject to search based on reasonable suspicion of the violation of the law or school rules and to random searches without regard to reasonable suspicion.

### Times and Places Applicable

Unless otherwise noted in the individual section, this code shall be applicable to any conduct: on school grounds or property adjacent to school grounds; during, before and after school hours, on school grounds at any other time when the school or the school grounds are being used by a school-related group; off school grounds at a school-sponsored activity, function or event; on a school bus or conveyance; or at any other time when the student is subject to the authority of the school.
