For that day only, no deli options are available for students.) Students will order their lunch in the classroom. There is no need to include the student's order on this form. It would be helpful if you can try to bring exact change to pay for your lunch that day. We also ask that you recognize Board policy and do not bring in outside food or beverages for your student from local restaurants. Of course, you are welcome to pack a sack lunch and enjoy that with your student. We look forward to sharing in your special day with your student!
