VI. Administrative Discussion Items, Presentations, and Updates

A. CIS Committee Recommendation Next Steps: The following summarizes each public forum held to discuss the future of the CIS building and the survey.

February 13

Attendance: approximately 20
Feedback received (these are comments or questions asked by those in attendance that were written down):
- Build a new school, demolish the old, and donate the land to the city for the establishment of a park.
- How would the timing of a new bond issue work?
- Do Main Street Wadsworth or the City of Wadsworth have an interest in the building?
- While I support the need for a new building, it will be hard on those with fixed incomes to afford to pay additional taxes.

February 17

Attendance: 19
Feedback received:
- Can we accommodate all that occurs in OJ Work Auditorium and the PAC in only the PAC?
- What type of technology challenges does the current CIS building present?
- The cost of the renovations required may drive down the sale price of CIS if the board decides to sell it.

February 22

Attendance: 15
Feedback received:
- What will community groups (e.g., Footlighters) that rely on OJ Work Auditorium do if the building is no longer in existence?
- Is there any advantage to keeping the current building?
- Where will the funding for a new building come from?
- A second auditorium in our city is a must, whether it is OJ Work or something new.
No one who attended a forum advocated for our school district renovating or keeping CIS. Everyone seemed to agree that building new makes financial sense. The importance of including what will happen with the current facility, if the board decides to follow the committee’s recommendation, as part of the master plan when a bond issue is asked for was reinforced through the forums.

B. Hours of Instruction and Calamity Days:  We have had seven (7) calamity days and two (2) delays this year due to weather. The state has set the following as the minimum number of instruction hours required in a school year:

<table>
<thead>
<tr>
<th>Grade Levels:</th>
<th>Hours:</th>
</tr>
</thead>
<tbody>
<tr>
<td>K-6</td>
<td>910</td>
</tr>
<tr>
<td>7-12</td>
<td>1001</td>
</tr>
</tbody>
</table>

What is allowed to “count” toward hours of instruction is defined by Ohio Revised Code and is summarized in guidance provided by the Ohio Department of Education. Each
elementary school has a building schedule that is a little different. As a result, total hours of instruction vary by building and in some cases, by grade level as well.

Based upon the board-approved 2017-2018 calendar, the following are the scheduled hours of instruction by grade and building:

<table>
<thead>
<tr>

As you can see, we are still well above the state minimum requirements. As we decided when our state first changed from days to hours, I would suggest that we continue with the understanding that we do not schedule make-up days due to calamity days until we reach double-digit days out of school. While we would still have time to give, even at double-digit days out of school, I think at some point making up days is necessary.
D. **2020-2021 Proposed School Calendar:** The proposed school calendar for the 2020-2021 school year can be found by [clicking here](#). The proposed calendar will be recommended for board approval on May 14, 2018.

E. **March 5, 2018 School Safety Meeting Follow-Up:** The Board of Education would like to thank all who took time to attend the March 5, 2018 school safety meeting. Since the meeting, ideas on how to enhance our current school safety measures continue to be discussed with city safety officials, district employees, and the board of education. Once final decisions are made, a follow-up communication will be shared with our community.

F. **Business Advisory Council:** Recently, the Ohio Department of Education released guidelines for Business Advisory Councils. Part of the guidance requires that the business advisory council meets at least quarterly with the board of education, per [Ohio Revised Code 3313.821](#). Members of the Wadsworth City School District Board of Education will rotate attendance at the monthly business advisory council meetings to meet this requirement.

G. **Lincoln Elementary School Outdoor Reading Lab:** Our carpentry program will work with representatives of Lincoln Elementary School to construct an outdoor reading lab, similar to the one pictured below. The lab will be located on the north side of the school building, along the fence line.

VII. **Administrative Items**

**A. PERSONNEL CONSENT ITEMS**

2. **Employments**

   (f) (1) **Barbara Skamer:** Ms. Skamer is being recommended to fill the new vehicle driver position required due to the needs of a student, as identified in her individual education program. In addition, Ms. Skamer will fill the aide
position at Isham Elementary School left open by the movement of Ms. Kristen Highland to another position within our school district.

(f) (2) Allyson Wagner: Ms. Wagner is being recommended to fill the cafeteria helper position left open by the resignation of Mr. Bruce Mandate.

B. ACTION CONSENT ITEMS

1. University of Akron College Credit Plus Memorandum of Understanding: The College Credit Plus Memorandum of Understanding between The University of Akron and the Wadsworth City School District Board of Education being recommended for approval governs the College Credit Plus program for the 2018-2019 school year.

4. Board of Education Policy Revisions: The revisions to Wadsworth City School District Board of Education policies being recommended for approval align our policies with current law and district practices.

5. Science Textbook Adoption: The science textbooks being recommended for adoption, beginning in the 2018-2019 school year, are the same as those that were presented at the March 12, 2018 board of education meeting by members of the Science Textbook Adoption Committee. The textbooks have been available for review at the Charles R. Parsons Administration Building since March 13, 2018.

7. College Now Greater Cleveland Memorandum of Understanding: The MOU between College Now Greater Cleveland and Wadsworth High School being recommended for approval will allow our school district to continue to offer additional assistance to students and parent/guardian(s) for college financial aid counseling and scholarship services.

8. Reduction of Student Instruction Hours for the 2017-2018 School Year: The resolution to reduce student instruction hours for the 2017-2018 school year being recommended for approval is necessary to officially adjust the board-approved 2017-2018 school calendar to account for the calamity days referenced in Administrative Discussion Items, Presentations, and Updates Item B., above.

10. Summit Educational Service Center Agreement: The Contract for Services Supervised by ESC Board between the Summit Educational Service Center Governing Board and the Wadsworth City School District Board of Education being recommended for approval will allow our district to continue to receive the services of an audiologist, per needs identified in the individual education program of students, during the 2018-2019 school year.
11. **Educational Service Center of Medina County Service Agreement Amendment:** The amended agreement between the Educational Service Center of Medina County and the Wadsworth City School District being recommended for approval will allow for an increased amount of American Sign Language services, per needs identified in the individual education program of students, during the 2017-2018 school year.

12. **Revised 2018-2019 School Year Calendar:** The revised calendar being recommended for approval reflects the following changes:

- Adds the Junior ACT testing day on February 20, 2019;
- Adds the monthly two (2)-hour delays for students in grades 7-12; and
- Increases the total number of full days devoted to conferences from the current two (2) to three (3) for grades preK through 6. The result of this change is the reduction of one (1) student instruction day and one (1) teacher comp day for those students/teachers grades preK through 6. The recommended revision is the result of work completed by the Parent/Teacher Conference Review Committee. The full recommendation of the committee is as follows:

**Parent/Teacher Conference Review Committee Recommendations**

**March 2018**

**Purpose of the Committee**

The Wadsworth Education Association and the Wadsworth City School District Board of Education decided to form a committee to explore options on how to improve the current parent/teacher conference process.

**Composition of the Committee**

The following were part of the committee:

Jamie Bennett
Andy Hill
Eric Jackson
Beth Lawrence
Laura Maslyk
Leslie North
Lori Robinson
Stephine Schmeltzer
Joe Shalala
Chris Sieber
Erin Simpson
Megan Smith

Proposed Improvements to the Current Parent/Teacher Conference Process

Pre-K-6th Grade:

For the 2018-2019 school year, conferences would be held on the following dates/times:

<table>
<thead>
<tr>
<th>Date</th>
<th>Time</th>
</tr>
</thead>
<tbody>
<tr>
<td>Wednesday, October 17</td>
<td>4:30-8:00 p.m.</td>
</tr>
<tr>
<td>Thursday, October 18</td>
<td>11:30 a.m.-7:00 p.m. (No school for students)</td>
</tr>
<tr>
<td>Friday, November 2</td>
<td>8:10 a.m.-3:40 p.m. (No school for students)</td>
</tr>
<tr>
<td>Thursday, February 7</td>
<td>4:30-8:00 p.m.</td>
</tr>
</tbody>
</table>

The proposed solution addresses the following concerns:

- More time is needed if all parent/guardian(s) are expected to be met with;
- The time of day conferences are offered needs to be reviewed; and
- When conference days are scheduled throughout the year needs to be reviewed.

The proposed solution increases the total number of full days devoted to conferences from the current two (2) to three (3). The result of this proposal is the reduction of one (1) student instruction day and one (1) teacher comp day. Due to the change in calendar and reduction of a student instruction day, formal board of education approval will be needed to implement the change.

7th-12th Grade:

For the 2018-2019 school year, conferences would be held according to the following plan (the fall conference date is to be determined but will occur sometime after October 19):

- Hold a parent/teacher conference opportunity right after the end of the first quarter from 4:00-7:30 p.m. (the high school may hold theirs from 3:00-8:30 p.m.); and
- Allow teachers to log the remaining three and a half (3.5) hours (or whatever remains from a full seven (7)-hour work day) of conference time throughout the year as they interact with parent/guardian(s).
The proposed solution addresses the concern that there needs to be more flexibility in the way parent/teacher conferences are structured in grades 7-12, due to low participation on the formal conference nights, especially at the high school level.

The Communication Log:

The following will be required in each teacher’s parent/guardian communication log:

- Student name;
- Who the teacher talked to/communicated with (name and relation to student);
- Date;
- Mode of communication (e.g., phone call, email, face-to-face conference, etc.); and
- Amount of time spent on this communication.

The committee felt teachers completing the log in Google was best, although no exact format was decided upon.

Failure to Finish the Communication Log Hours

April 15 will be the deadline for completion of the logged hours. If a teacher has not completed the logged hours by April 15, he/she will be required to stay for conferences on a night selected by the building principal, and he/she will have to provide documentation to his/her building principal that he/she has notified parent/guardian(s) of his/her students of his/her availability for a conference on the said evening.
