

CENTRAL INTERMEDIATE SCHOOL

2022-2023

<http://www.wadsworth.k12.oh.us>

I. Welcome and Introduction

MISSION STATEMENT

Our mission at Central Intermediate School is to provide a bridge for students and families that fosters individual interests, personal accountability, confidence, and respect while striving for academic excellence.

INTRODUCTION

Central Intermediate School serves all 5th and 6th grade students attending Wadsworth City Schools. Because we have students at a relatively narrow age span, we are able to “specialize” in educating ten, eleven, and twelve-year olds. Teachers work together in various teams, which supports the sharing of ideas and resources, allowing us to work efficiently and effectively towards a common goal: a quality education in a developmentally appropriate setting.

Children at the ages of ten, eleven, and twelve are beginning to move from childhood to early adolescence, which involves:

- * Experiencing the privileges and responsibilities of increased independence.
- * Becoming far more interested in, and influenced by, their peer group.
- * Becoming more aware of themselves as individuals, separate from parents and others.
- * Taking responsibility for one’s choices and managing one’s own behavior.

Children at these ages mature at noticeably different rates. The intermediate school looks somewhat more like an elementary school than a middle school, though it has its own unique identity that falls somewhere in between. The intent is to help students make the transition from elementary to intermediate to middle school, from childhood to early adolescence.

DAILY TIME SCHEDULE DAILY ATTENDANCE SCHEDULE

ATTENDANCE POLICY

The Board of Education believes that there is a strong correlation between school attendance and academic success. Most students at CIS miss 5 or less days per year. Schools are required to report attendance daily to the State of Ohio through the State computer system Educational Management Information System (EMIS). Regular attendance teaches and develops the habits of punctuality, self-discipline, responsibility, and dependability.

We must ensure your child's safety and education. It is the parent/guardian's responsibility to:

- Notify the school when a child is absent. The attendance desk telephone number is (330) 335-1481. You may leave a voicemail message at this number 24 hours a day. If you do not call, you will receive an automated call from CIS. If we do not reach you, please send a note to school the day the child returns to explain the absence. ● If arriving late, bring your child to the attendance desk. Or you may send a note or call the attendance desk. When a child is tardy to school, he/she will be asked to complete a tardy slip at the attendance desk. The first offense each grading period will be excused. The second occurrence will result in a letter sent home. Upon reaching the third and fourth tardy, a 30-minute after-school Thursday detention could be issued. For the fifth and sixth tardy, a 60-minute after-school Thursday detention could be issued. Once a student reaches his/her seventh tardy, a 120-minute, after-school Thursday detention could be issued. Each grading period will begin a new cycle. ● If leaving early, report to the attendance desk to sign your student out. Please submit a note to the attendance desk first thing in the morning before school starts.
- Parents must sign students in and out at the attendance desk if they arrive late, are returning from an appointment, or are dismissed early.
- When leaving school for a doctor's appointment, you will be given a yellow verification slip to be signed by the doctor's office.

Per our Board Policy: *A student will be considered habitually truant if the student is absent without a legitimate excuse for thirty (30) or more consecutive hours, forty-two (42) or more hours in one (1) school month, or for seventy-two (72) or more hours in one (1) school year. Whenever any student of compulsory school age has sixty (60) consecutive hours in a single month or a total of ninety (90) hours of unexcused absence from school during the school year, she/he will be considered habitually absent.*

The Ohio School Law defines an **excused** absence as

- Personal illness
- Illness in the family
- Death in the family
- Quarantine
- Religious reasons

Absences due to a vacation will need the approval of the building principal in advance. Please contact the principal via email to request an excused absence.

Absences from school that are not permitted by the State Law are **unexcused** absences. These may include, but are not limited to:

- Oversleeping
- Missing the bus or car trouble
- Missing class because of dress code violation
- Failure to report absences to school

- “Take Your Child to Work” day

In accordance with State Law, the school system recognizes the following, but not limited to, as acts of **truancy**:

- Missing school without parental permission and on certain occasions with the parent’s permission. ●
Leaving school without signing out by permission
- Birthdays
- Unauthorized absence from class
- Failure to return to school on the same day when sent home for improper dress
- Failure to present a doctor note when requested by the school system
- Failure to contact the school when your child is not in attendance.

Truancy cases will be reported to the district attendance office. Administration will provide a disciplinary response for truancy. We are required to report excessive absences to Medina County Job and Family Services and Medina County Juvenile Court.

ABSENCE – MAKE UP WORK

Work missed as a result of absence is to be made up by the students. Students are responsible for contacting their teachers and arranging a make-up work schedule upon their return to school. Students will be allowed the same number of days to complete missed work as they were absent (e.g., 4 days absent, 4 days make-up). The exception to this format occurs when a student is in school the day prior or before a test, but absent on the day of the test. In this event, he/she will be expected to take the test on the day of his/her return to school. Due dates may also be extended in the case of emergencies, funerals, and under other extenuating circumstances. Parents will be provided make-up work, upon request. Work requested from a teacher prior to planned absences will be due the day the student returns.

III. Health

ILLNESS AND FIRST AID

If your child injures him/herself or becomes ill at school, he/she is to report immediately to the office. Parents may be notified to come to school for you if necessary. Students will wait for parents in the clinic or the front lobby.

MEDICATIONS

Before any medication may be given to a student by school personnel, a form requesting the administration of the medication must be completed, signed by the doctor and on file in the school office. A change in medication will require a revised form, again, signed by the doctor. A health aide in our clinic will administer medication. Over the counter medications must be in their original bottle. Forms are available on our website.

School Health Services

Screenings This school year, vision and hearing screenings will be done in grade 5. These are state mandated screenings for all students in this grade. Vision or hearing screenings may also be done as a result of a school staff or parent referral in any grade. For more information on school screenings, go to www.wadsworth.k12.oh.us and select “Departments”, then select “Health Services” on the WCS web page.

Screening Exemption: Any child may be exempted from the school hearing screening by providing proof to the school by September 15th that he/she has been examined by a physician within the past 12 months along with a note stating your request. A child may be exempted from the school vision screening by providing proof to the school by September 15th that he/she has been examined by a physician or optometrist within the past 12 months along with a note stating your request.

Health Aides: All schools will have a School Health Aide in the clinic for several hours a day. The School Health Aide has been trained in basic first aid, will administer medications and do vision and hearing screenings. The School Nurse will supervise the School Health Aides.

Please contact the District School Nurse by calling 330.335.1430, extension 30116, if you have questions or concerns about your child's medical condition.

Scoliosis: Scoliosis is a condition of the spine that a child is born with. In scoliosis, the vertebrae are shaped like wedges rather than blocks. As the child has the period of rapid growth usually associated with puberty, any abnormality in the spine may become more obvious, perhaps causing an abnormal curve in the spine. If left untreated, it can cause problems later as the organs in the body may become cramped. The treatment for scoliosis may be: no treatment, exercises to strengthen the muscles on the opposite side, or surgery depending on the severity. Most cases of severe scoliosis are already known by this age.

Fifth and Sixth grade students will be screened for scoliosis. The initial screening for scoliosis is a simple procedure in which the child's posture is inspected as he/she stands and then bends forward. If an abnormality is suspected, your doctor may order an x-ray, which is the only sure way to diagnose scoliosis. If you have a question about whether your child's posture has been evaluated, please talk to your physician. If you would like an initial postural evaluation by the school nurse, please contact her at 330.335.1480, extension 40406. For more information on scoliosis, go to www.srs.org/patients/.

IV. Safety

FIRE, TORNADO AND OTHER SAFETY DRILLS

The state requires schools to conduct fire, tornado and other safety drills each year. Each classroom is assigned to certain areas within the building to report to during these drills. Students will follow the instructions of their classroom teachers during a drill or the actual event.

Drills will be held regularly at unannounced times throughout the year. Quick and orderly drills add to the safety of our students in times of emergency. 1. Always regard the ringing of the alarm as denoting danger. 2. Rooms are to exit single file, hurry but do not run. Exits to be used are posted in each room. No talking is permitted by students during fire drills. 3. Keep noise to a minimum and stay in line outside until the signal is given to re-enter the building.

Wadsworth City Schools utilizes the **A.L.I.C.E** philosophy to prepare our students to respond to unwanted intruders in our schools. A.L.I.C.E. stands for Alert-Lockdown-Inform-Counter-Evacuate. Students will be involved in multiple drills during the year to ensure that they are prepared in the event of an actual intruder.

TRAFFIC POLICY

All pick-up traffic should enter through the gates off of Main Street. The exit gates at Main and Mill Streets will remain closed during school hours. **Please note there is no right turn at the traffic light when exiting the gates** as indicated by the traffic sign attached to the light. This alleviates right turns being made at the pedestrian crossing and ensures the safety of the students. Wright Drive cannot be used as a drop off until all buses are gone. For the safety of students, buses will always have the right-of-way. There is no dropping off students on S. Lyman Street. When crossing the street, students are expected to use the crosswalk.

VISITORS

Upon entering Central Intermediate School, visitors must report immediately to the front desk. Visitors must sign in at the front desk on the sign-in sheet and obtain a visitor's badge. The badge should be easily visible to all staff

members and students. Please do not go directly to classrooms or the playground. Students are not permitted to bring visitors to the school without prior permission from the office. The school will not transport visitors on school buses.

5

VISITORS DURING STUDENT LUNCHTIME

Any guest visiting a student during his/her lunchtime will be asked to show photo identification. If the guest has not been listed by the parent/guardian as a contact (through Final Forms), the parent/guardian will be contacted for approval before the guest is permitted to visit. If a parent would like to add additional contacts, he/she can do this through the Final Forms account.

SCHOOL RESOURCE OFFICER

Central Intermediate has a school resource officer (SRO) who is shared with our elementary schools and middle school. This SRO is a Wadsworth Police Officer and is dressed in uniform each day. The goals of our School Resource Program include:

- 1) Bridging the gap between police officers and students;
- 2) Increasing positive attitudes toward law enforcement;
- 3) Encouraging more cooperation between students and police;
- 4) Reducing juvenile crime;
- 5) Maintaining an atmosphere conducive to learning

V. Support Services

SCHOOL COUNSELING SERVICES

Counseling services through our school counselor or through our prevention specialist are available to all students at CIS. Families can take advantage of short term individual counseling for concerns about home or school and group counseling for concerns with stress management, ADHD support, social skills, grief or changing families. Any student wishing to visit the counselor must sign up in the counseling office or with their teacher. The counselor will send for the student. Do not go to the counselor's office unless you have permission from your teacher. Our school offers additional counseling services dependent on qualifications and insurance. Contact the school office for more information.

TITLE I TUTORING

Students may be referred to Title I Intervention Tutoring if they are having difficulty with academics and are in need of additional support. Teachers work collaboratively to provide interventions as well. Students who are learning English as a Second Language may qualify for services with an ELL tutor. Contact the school office if you wish to learn more about these services.

INDIVIDUALS WITH DISABILITIES

The Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act provide that no individuals will be discriminated against, on the basis of disability. This protection applies not only to students but to all individuals who access the District's programs and facilities. The Wadsworth City Schools provides a variety of special education programs and services for students who have been identified as having an educational disability, defined by the IDEA (Individuals with Disabilities Act) A student can access special education programming through a proper evaluation procedure. Parents are invited to be highly involved in these procedures. To gather more information about these procedures, contact the principal or the Student Services Director, Mrs. Joyce Walker at 330-334-1319

VI. General Information

ACTIVITY NIGHTS

Activity Nights will be provided for 6th grade students two times per year. Once entering the event, students cannot exit without permission. Students are expected to remain the entire time. Activity Nights are for CIS 6th grade students only. Violation of school rules at an activity night may result in the student's immediate removal and/or result in other disciplinary action, including permanent revoking of the privilege to attend future activity nights.

6

ADMINISTRATION AND SECURITY OF TESTS

Students and parents are advised that there are strict security procedures that exist regarding the admission and handling of state achievement tests. Only those people authorized by district policy should have access to these test materials. Under no circumstances should students have access to the testing materials prior to or after the testing session is complete. Cheating, violations of test security provisions, or other inappropriate testing practices by a student will result in invalidation of the test and disciplinary action.

COLLECTION OF MONIES

Throughout the school year, there will be many occasions in which the student will bring money to school to pay for such items as pictures, school fees, etc. It is requested that these monies be clearly marked (as to purpose) in an envelope with the student's name and teacher's name. You may wish to pay all fees by check. This will provide you with a record of payment. If paying in cash, the exact amount is required. Students are not permitted to buy or sell personal items while at school.

COMMUNICATION EXPECTATIONS

In an age where instantaneous communication is the new normal, keep in mind the same is not true in a school environment. Teachers are teaching most of the day. They may not be checking email or voicemail during the day. A reply to parents may take a day or even two, especially if there is a need to gather information before they respond to a message. If there is a need for an urgent reply, contact the office.

DRESS CODE

The Board of Education recognizes that each student's mode of dress and grooming is a manifestation of personal style and individual preference. The Board will not interfere with the right of students and their parents to make decisions regarding their appearance, except when their choices interfere with the educational program of the schools. The Board authorizes the Superintendent to establish a reasonable dress code in order to promote a safe and healthy school setting and enhance the educational environment. The dress code shall be incorporated into the Student Code of Conduct or Discipline Code.

Accordingly, the Superintendent shall establish such grooming guidelines as are necessary to promote discipline, maintain order, secure the safety of students, and provide a healthy environment conducive to academic purposes. Such guidelines shall prohibit student dress or grooming practices which:

- A. present a hazard to the health or safety of the student himself/herself or to others in the school;
- B. materially interfere with school work, create disorder, or disrupt the educational program; C. cause excessive wear or damage to school property;
- D. prevent the student from achieving his/her own educational objectives because of blocked vision or restricted movement.

Such guidelines shall establish the dress requirements for members of the athletic teams, bands, and other school groups when representing the District at a public event.

In regards to dress code, the following apply:

- A. the principal is designated as the arbiter of student dress and grooming in his/her building;
- B. the participation of staff, parents, and students in the preparation of a dress code which may specify prescribed dress and grooming practices, but may not amplify the rationale for prohibition established by

Board policy is desired;

C. staff members are instructed to demonstrate by example and precept wholesome attitudes toward neatness, cleanliness, propriety, modesty, and good sense in attire and appearance;

7

D. all rules implementing this policy shall impose only minimum and necessary restrictions on the exercise of the student's taste and individuality.

Students who violate the foregoing rules may not be admitted to class and may be suspended from school

EMERGENCY CLOSINGS

In the event of school closing or two-hour delay, accurate information will be made available to parents and staff members through the following stations: WEWS TV 5, FOX TV 8, WKYC TV 3, WOIO/WUAB TV 19, ohio.com, and WAKR/WQMX. The Alert Now@ Phone Calling System will also be utilized. The Wadsworth City School system is NOT part of the Medina County School system.

HOMEWORK POLICY

The school realizes that the assigning of homework provides opportunities for students to develop responsibility and self-discipline. It also indicates to parents what is taking place within the classroom. The purpose of homework

should be to help a child practice skills taught in the classroom. The assignments should be meaningful and well within the capabilities of each child. Students and parents should develop good habits at home, to promote success with homework. Often, teachers will assign consequences when students fail to do homework.

LOCKERS

Students will be given a locker during the first day of school for their use. Lockers are the property of the Wadsworth Board of Education. Board of Education Policy authorizes school personnel to search any student's

8

locker and the contents thereof upon reasonable suspicion that the contents contain evidence of a criminal or school rule violation. Additionally, we reserve the right to search personal property, clothing, and belongings in the event such personal property is suspected of containing, hiding, or possessing evidence of a criminal or school rule violation. The combination of each locker should not be given out to any other student. Students can access their lockers with teacher permission. The school will not assume responsibility for lost or stolen articles when lockers are not properly used. The care and cleaning of lockers are the student's responsibility. Students are not permitted to decorate lockers with stickers or other adhesive items.

LOST AND FOUND

CIS has a lost and found located near the library on the first floor. Items found are placed there until they are claimed. Periodically, the items are reviewed for names and returned to owners, if possible. At the end of the semester, all items left in the Lost and Found will be donated to Marian's Closet in Wadsworth.

LUNCH PROGRAM

Free and reduced price lunches are available to those who show a need. Application forms for free and reduced price lunches are available to all families. Forms are available for pick up in the office or on the district website under the Food Service tab.

A hot lunch is available to students at a nominal cost. Please visit the Food Service web page for up to date prices. In addition, an a la carte menu is available on a daily basis. An a la carte item may not always be available. Outside food from local restaurants should not be brought in to students during the school day.

Point of Sale Information: Our cafeteria operates using a Point of Sale (POS) system. Each student must type in their student ID# in order to purchase items. Parents are encouraged to send money in the form of checks to be placed on student accounts. Monies on an account are eligible for meals and a la carte items. All monies left on the account at the end of the school year, stays with the student and will transfer to the next grade. No refunds. POS has the ability to block specific purchases or honor parental requests. Students who do not have lunch will be permitted to charge their POS account for the cost of one. Unpaid balances turn into student fees at the end of the school year.

PROMOTION POLICY

Promotion procedures demand continuous analysis and study of the cumulative student case history records so that guesswork and conjecture are kept to a minimum, and decisions may be as objective as possible. 1. A student may be promoted to the next grade level after successful completion of four or more academic subjects.

2. A student may be assigned the next grade level if it can be established that the student is working to his/her ability, even if he/she has failed to meet the requirements of promotion.

3. For purposes of retention, many factors will be considered in a conference with parents. The final decision for retention will remain the responsibility of the principal.

REPORT CARDS

Report cards will be issued at the end of each nine weeks and are made available electronically through Progress Book. Printed copies will also be sent home each grading period. Grades are available online through Progress Book at all times.

It is also recognized that evaluation of progress involves many things. Some of the areas evaluated are: class participation, effort, reports, experiments and projects, themes, daily work, quizzes, and tests.

VII. Student Conduct

TECHNOLOGY – ACCEPTABLE USE STATEMENT

All students are expected to use the technology provided to Central Intermediate School in an approved, ethical manner in accordance with Board Policy 7540.03 for completion of classroom assignments. Board Policy concerning the use of technology is available at

<https://go.boarddocs.com/oh/wadsoh/Board.nsf/Public?open&id=policies#>.

Bring your own device at your own risk. Students who misuse technology through damage, maliciousness, non-educational use, cheating, bypassing the Internet content filter or excessive printing will be subject to immediate disciplinary action. Students are not permitted to access social media at school or use personal devices to text or take pictures (or video).

General school rules for behavior and communication apply. The Board does not sanction any use of the Internet that is not authorized by or conducted strictly in compliance with this policy. Users who disregard this policy and its accompanying guidelines may have their use privileges suspended or revoked, and disciplinary action taken against them. Users granted access to the Internet through the Board's computers assume personal responsibility and liability, both civil and criminal, for use of the Internet not authorized by this Board policy.

PLEASE BE ADVISED that all information transmitted via the WCS wireless system is subject to search and seizure. Any holding/transmitting device and its contents are not held to any expectation of privacy of the data contained.

Information may be searched if the administration feels it is necessary for the safety and security of the student in our School. Teachers have the right to review a students' history if there is a warranted reason.

BULLYING

The staff and administration at CIS believe that school should be a safe environment in which to learn. Students exhibiting bullying behavior will not be tolerated. By definition, bullying behavior is considered when: 1. It is purposely hurtful

2. Includes repeated offenses toward another student
3. The bully attempts to gain power over another

10

Students will be provided classroom based lessons to help identify bullying behaviors and who can help them if they experience bullying. Cyber bullying through social media and other technology that impacts a students' sense of safety, will also be addressed by administration when deemed appropriate. Disciplinary responses will be given for bullying, and could include suspension or expulsion. However, the school cannot be responsible for resolving conflicts that occur outside of school hours.

CARE OF BUILDING AND EQUIPMENT

Any student guilty of damaging or defacing school property is subject to disciplinary action, and the parents/guardians of such student will be held responsible for payment of damages.

CENTRAL INTERMEDIATE SCHOOL-WIDE DISCIPLINE PLAN HIGHLIGHTS PBIS

PBIS (Positive Behavior Intervention and Supports) is a framework used to promote school wide safety and positive behaviors. We believe students can meet behavioral expectations if they clearly know what these expectations are. Our "Grizzly Way" expectations which are posted in common areas (hallways, outside restrooms, playground, and cafeteria) provide students a visual reminder about common school wide expectations. The PBIS framework provides tiers to offer support for all students.

Tier 1 - School wide behavioral expectations are clear. Recognize and praise students for good behaviors.

Tier 2 - Extra layers of support are offered for students who struggle with behaviors. Specific research based interventions are applied.

Tier 3 - Students who need individualized support and services are offered intense and individual supports (such as a behavior passport).

The PBIS framework supports (1) all students learning appropriate behaviors, (2) early intervention preventing more serious behaviors, (3) students being provided different kinds of behavioral supports, (4) using behavior progress data to make decisions about responding to behavior challenges.

GRIZZLY FIVE:

- 1. Be Respectful**
- 2. Be Responsible**
- 3. Be There....Be Ready**
- 4. Follow Directions**
- 5. Keep hands, feet to self**

Positive Consequences

During the year, our staff will recognize student's positive behavior and provide incentives to encourage further positive behavior. Things like extra recesses, special events, etc., may be provided for such occasions. Staff members and teachers will issue "Grizzly Bear Paws" to students who are complying with Central's expectations. These Bear Paws will be collected and a weekly drawing will be held for various prizes.

Negative Consequences

A progressive discipline process will be utilized to address infractions of Central's expectations. At level II & III, there will be written documentation sent home to inform parents about the situation.

If received, a discipline form should be signed and returned to the homeroom teacher the day following the incident that warranted the action.

Level I Warning is the initial documented step implemented to change negative behavior. At this level, the staff member handles the situation accordingly. Parents are informed when necessary. Level I incidents can be characterized as minor offenses.

Level II Detention is the secondary step. It is implemented when the student's decision is to repeat a Level I Behavior or to exhibit a misbehavior that is more serious in nature. At this level, the office is made aware of the

11

student's negative behavior and the student will be assigned a before school or after school detention. It is possible to receive a Level II detention without having received a Level I warning. Parents are generally contacted. **Level III** consequences are considered when a student continues to repeat negative Level II misbehavior or misbehavior that is severe in nature. At this level, the office will be involved through a written discipline report or direct involvement. Consequences for a Level III discipline incident may include: before or after school detention, loss of privileges, in-school detention, or out-of-school suspension. Major infractions, listed in our Wadsworth City Schools Code of Conduct will immediately be considered for a Level III discipline report. Teachers reserve the right to remove students from special events or activities should poor behavior warrant the removal. At times, staff may design individual behavior plans as needed, to help encourage positive behavioral changes.

CHEATING

Any student involved in cheating (giving or receiving) may receive an automatic "F" for the work involved. On the second offense, a 60-minute detention must be served.

CLASSROOM DISCIPLINE

In an effort to maintain an orderly and effective classroom and be as fair and consistent with the students as possible, we use a variety of classroom interventions. Each teacher will have his/her discipline policy or classroom rules posted in the classroom. Discipline plans will be shared with families.

GUIDELINES FOR CLASSROOM DETENTION

Students may be assigned a detention by any member of the faculty. This is for those students with undesirable patterns of attendance, tardiness, or conduct as well as other discipline problems. Students assigned to detention are to report to the room designated on the detention notice at the time given. Each student is to have sufficient materials and books to study for the detention period and is to cooperate with the detention supervisor. Students will be given overnight notice.

The following guidelines are to be in effect during, before or after school Detention

1. After school detention starts at 3:30 p.m.
2. Before school detentions begin at 8:15 a.m.
3. Students are expected to bring school-related materials for study.
4. Students must report with necessary supplies to study: paper, pencils, books, erasers, etc.
5. Students are not allowed to go to their lockers or use the telephone.
6. No food or beverages may be consumed during detention.
7. No recreational articles will be allowed in the room. (Radios, cards, toys, etc.)
8. Students will not be allowed to put their heads down and sleep.

THURSDAY DETENTION

Detentions may be assigned by the office and will be served on Thursday after school. Each student is to have sufficient materials and books to study for the detention period and is to cooperate with the principal or teacher. Removal and further disciplinary action from detention will result if inappropriate conduct is observed during detention. Students must be picked up promptly following detention. There is no right to appeal when a detention is assigned by the student or parent.

DANGEROUS WEAPONS IN THE SCHOOLS

The Board is committed to providing the students of the District with an educational environment which is free of the dangers of firearms, knives, and other dangerous weapons in the schools.

The definition of a firearm shall include any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive; or any firearm muffler or firearm silencer; or any destructive device (as defined in 18 U.S.C.A. Sections 921-924), which includes but is not limited to any explosive, incendiary, or poisonous gas: bomb, grenade, or rocket having a propellant charge of more than four

12

ounces, missile having an explosive or incendiary charge of more than one-quarter ounce, mine or device similar to any of the devices described above.

Students are prohibited from bringing a firearm on school property, in a school vehicle or to any school-sponsored activity. If a student brings a firearm on school property, in a school vehicle or to any school-sponsored activity, the Superintendent shall expel this student from school for a period of one calendar year. Any such expulsion shall extend, as necessary, into the second year following the school year in which the incident occurred. The Superintendent may reduce this requirement on a case-by case basis in accordance with State law.

Students are also prohibited from bringing knives on school property, in a school vehicle or to any school-sponsored activity. The definition of a knife includes, but is not limited to, a cutting instrument consisting of a sharp blade fastened to a handle. If a student brings a knife on school property, in a school vehicle or to any school-sponsored activity, the Superintendent may, if authorized by the Board, expel the student from school, with the same expulsion implications as noted above.

The Board may extend the right to expel a student for reasons beyond the possession of a firearm or knife. Students who possess or use other dangerous weapons, which are defined but not limited to metal knuckles, straight razors, explosives, noxious irritation or poisonous gases, poisons, drugs, or other items possessed with the intent to use, sell, harm, threaten or harass students, staff members, parents or community members, may be subject to expulsion.

Students should obtain these before school as they will not be dismissed from class to go to their lockers.

2. Upon arrival students must remain on school property. Students getting off buses should go directly to school grounds and students waiting for school buses must remain on school grounds until the bus arrives. CAFETERIA AND LUNCH RULES

Student behavior in the cafeteria should be based on courtesy and cleanliness. Students are to remain in the cafeteria until they have finished eating. At no time are students allowed to take food outside of the cafeteria. Students are not to go into areas where classes are being held during their lunchtime. Additional guidelines include:

STUDENT CONDUCT ON SCHOOL BUSES

Students are expected to listen and obey the bus drivers as they would their teachers. The buses need to be free of misbehavior to ensure safety on the routes. A note needs to be signed and verified in the office if a medical appointment will change bus riding. Only a family emergency will alter the bus assignment. A note explaining the emergency and where the parents can be reached will be necessary. The note should be presented to the building administrators or designee who must sign the note and have an emergency release form attached to the note.

The following regulations pertain to school bus conduct and are intended to ensure the safety and welfare of the students, the bus driver and other drivers on the road and to ensure the safety and proper maintenance of school buses.

Students will:

1. Sit in assigned seats; bus drivers have the right to assign a student to a seat on the bus and to expect reasonable conduct in a manner similar to that of a teacher in a classroom.
2. Reach assigned seat in the bus without disturbing or crowding other students; and remain seated while the bus is moving.
3. Obey the driver promptly and respectfully; realize that he/she has an important responsibility and that it is everyone's duty to help.
4. Keep the bus clean and sanitary; no chewing gum, candy, soft drinks or ice cream is permitted on the bus at any time. Students are not permitted to eat on the buses.
5. Not engage in loud talking or laughing; unnecessary confusion diverts the driver's attention and may result in a serious accident.
6. Keep head, arms, hands, and all other objects inside the bus at all times as windows are intended for light and ventilation.
7. Be courteous to fellow students and to the bus driver; profanity will not be tolerated.
8. Remain seated until the bus stops to unload. Keep the aisles clear once on the bus.
9. Arrive at pickup points no more than 10 minutes prior to the scheduled time of the arrival of the school bus.
10. A student who routinely rides a bus must have a note from the parent if they wish to walk home or to a medical/dental appointment.
11. No student will be permitted to ride home with another student on a bus that has not been regularly assigned to

them.

When discipline problems with individual students arise, the following procedure should be applied: 1. If possible, the driver should handle the problem. They may conference with a student, assign or reassign seats, call parents, or issue a warning.

2. When a driver is unable to solve the problem, he/she should report it to the Transportation Supervisor on the approved form. Then, the Transportation Supervisor and driver, if necessary, will confer with the principal. The disciplinary disposition of the case will be by the principal of the school.

3. Cases that cannot be solved through the courses outlined above will be referred to the principal.

CONSEQUENCES FOR VIOLATING THE RULES:

1stOffense: Warning with parent contact by phone or mail.

2ndOffense: 60-minute detention served with parent contact.

3rdOffense: 90 minute detention

4thOffense: 3-day suspension of bus privileges

5thOffense: 6-day suspension of bus privileges

***An immediate suspension from riding the bus may occur in circumstances where the physical well-being of the driver and students have been jeopardized.**

***While many of these handbook policies, procedures, and fees are outlined, the administration reserves the right to adjust, add, or delete policies, procedures, and/or fees during the school year, provided policies and fees are approved by the Wadsworth City School District Board of Education.**

ANNUAL NOTICES

Wadsworth City School District Bylaws and Policies

5610 - REMOVAL, SUSPENSION, EXPULSION, AND PERMANENT EXCLUSION OF STUDENTS

The Board of Education recognizes that exclusion from the educational program of the schools, whether by emergency removal, out-of-school suspension, expulsion, or permanent exclusion, is the most severe sanction that can be imposed on a student in this District, and one that cannot be imposed without due process. However, the Board has zero tolerance of violent, disruptive or inappropriate behavior by its students.

No student is to be removed, suspended out-of-school, expelled and/or permanently excluded unless his/her behavior represents misconduct as specified in the Student Code of Conduct/Student Discipline Code approved by the Board. The Code shall also specify the procedures to be followed by school officials when implementing such discipline. In determining whether a student is to be suspended or expelled, District Administrators shall use a preponderance of evidence standard. In addition to the procedural safeguards and definitions set forth in this policy and the student/parent handbook, additional procedures and considerations shall apply to students identified as disabled under the IDEA, ADA, and/or Section 504 of the Rehabilitation Act of 1973. (See Policy 5605 "Suspension/Expulsion of Disabled Students.")

Students may be subject to discipline for violation of the Student Code of Conduct/Student Discipline Code even if that conduct occurs on property not owned or controlled by the Board but where such conduct is connected to activities or incidents that have occurred on property owned or controlled by the Board, or conduct that, regardless of where it occurs, is directed at a District official or employee, or the property of such official or employee.

For purposes of this policy and the Student Code of Conduct/Student Discipline Code, the following shall apply:

- A. "Emergency removal" shall be the exclusion of a student who poses a continuing danger to District property or persons in the District or whose behavior presents an on-going threat of disrupting the

educational process provided by the District. (See Policy 5610.03 "Emergency Removal")

- B. "Suspension" shall be the temporary exclusion of a student by the Superintendent, principal, assistant principal, or any other administrator from the District's instructional program for a period not to exceed ten (10) school days. Suspension shall not extend beyond the current school year, if at the time a suspension is imposed, fewer than ten (10) days remain in the school year.

The Superintendent may instead require a student to participate in a community service program or another alternative consequence for a number of hours equal to the remaining part of the period of the suspension. The student shall be required to begin such community service program or alternative consequence during the first full week day of summer break.

The Superintendent may develop a list of appropriate alternative consequences, and set forth such lists in the applicable guidelines.

In the event, the student fails to complete the required community service or the assigned alternative consequence, the Superintendent may determine the next course of action. Such course of action, however, shall not include requiring the student to serve the remaining time of the suspension at the beginning of the following year.

The procedures for suspension are set forth in the Student Code of Conduct/Student Discipline Code and Policy 5611 - Due Process Rights.

Students are permitted to make up all work missed during a suspension for full credit.

16

- C. "Expulsion" shall be the exclusion of a student from the schools of this District for a period not to exceed the greater of eighty (80) school days or the number of school days remaining in a semester or term in which the incident that gives rise to the expulsion takes place or for one (1) year as specifically provided in this policy and the Student Code of Conduct/Student Discipline Code. Only the Superintendent may expel a student. The procedures for expulsion are set forth in the Student Code of Conduct/Student Discipline Code and Board Policy 5611 "Due Process Rights". When making a determination whether or not a student will be expelled or permanently excluded under this policy, the Superintendent shall retain all documents, electronically stored information ("ESI"), and electronic media (as defined in Policy 8315 - Information Management (i.e. "Litigation Hold")) created and/or received as part of an investigation.

1. Firearm or Knife

Unless a student is permanently excluded from school, the Superintendent shall expel a student from school for a period of one (1) year for bringing a firearm or knife capable of causing serious bodily injury to a school building or on to any other property (including a school vehicle) owned, controlled, or operated by the Board, to an interscholastic competition, an extra-curricular event, or to any other school program or activity that is not located in a school or on property that is owned or controlled by the Board, except that the Superintendent may reduce this period on a case-by-case basis in accordance with this policy. Similarly, the Superintendent shall expel a student from school for a period of one (1) year for possessing a firearm or knife capable of causing serious bodily injury at school or on any other property (including a school vehicle) owned, controlled, or operated by the Board, at interscholastic competition, an extra-curricular event, or at any other school program or activity that is not located in a school or on property that is owned or controlled by the Board, except the Superintendent may reduce this period on a case-by-case basis in accordance with this policy. The expulsion may extend, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place. The Superintendent shall refer any student expelled for bringing a firearm (as defined in 18 U.S.C. 921(a)(3)) or weapon to school to the criminal justice or juvenile delinquency system serving the District.

A firearm is defined as any weapon, including a starter gun, which will or is designed to or may

readily be converted to expel a projectile by the action of an explosive, the frame or receiver of any such weapon, any firearm muffler or silencer, or any destructive device. A destructive device, includes, but is not limited to any explosive, incendiary, or poison gas, bomb, grenade, rocket having a propellant charge of more than four (4) ounces, missile having an explosive or incendiary charge of more than one-quarter ounce, mine, or other similar device.

A knife capable of causing serious bodily injury is defined as any weapon or cutting instrument consisting of a blade fastened to a handle; a razor blade; or any similar device (including sharp, metal martial arts weapons such as ninja throwing stars) that is used for, or is readily capable of, causing death or serious bodily injury.

The Superintendent may, in his/her sole judgment and discretion, modify or reduce such expulsion in writing, to a period of less than one(1) year, on a case-by-case basis, upon consideration of the following:

2. The academic and disciplinary history of the student, including the student's response to the imposition of any prior discipline imposed for behavioral problems.
3. The degree of culpability given the age of the student and its relevance to the misconduct and/or punishment and/or evidence regarding the probable danger posed to the health and safety of others, including evidence of the student's intent and awareness regarding possession of the firearm or knife capable of causing serious bodily injury and/or
4. Applicable State or Federal laws and regulations relating to students with disabilities (for example, where the incident involves a student with a disability and the misconduct is determined by a group of persons knowledgeable about the child to be a manifestation of the student's disability);

5. Violent Conduct

17

If a student commits an act at school, on other school property, at an interscholastic competition, extra-curricular event, or any other school program or activity and the act:

- a. would be a criminal offense if committed by an adult;

and

- b. results in serious physical harm to person(s) as defined in R.C. 2901.01(A)(5), or to property as defined in R.C. 2901.01(A)(6)

the Superintendent may expel the student for a period of up to one (1) year. The Superintendent may extend the expulsion into the next school year or reduce the expulsion as necessary on a case-by-case basis as specified below. The student need not be prosecuted or convicted of any criminal act to be expelled under this provision.

The Superintendent may, in his/her sole judgment and discretion, reduce such expulsion to a period of less than one (1) year, on a case-by-case basis, upon consideration of the following:

- a. Applicable State or Federal laws and regulations relating to students with disabilities (for example, where the incident involves a student with a disability and the misconduct is determined by a group of persons knowledgeable about the child to be a manifestation of the student's disability);

or

- b. other extenuating circumstances, including, but not limited to, the academic and disciplinary history of the student, including the student's response to the imposition of any prior discipline imposed for behavioral problems.

If at the time of the expulsion, there are fewer days remaining in the school year than the number of days of the expulsion, the Superintendent may apply any or all of the remaining period to the following school year.

2. Bomb Threats

If a student makes a bomb threat to a school building or to any premises at which a school activity is occurring at the time of the threat, the Superintendent may expel the student for a period of up to one (1) year. The Superintendent may extend the expulsion into the next school year or reduce the expulsion as necessary on a case-by-case basis as specified below. The student need not be prosecuted or convicted of any criminal act to be expelled under this provision.

The Superintendent may, in his/her sole judgment and discretion, reduce such expulsion to a period of less than one (1) year, on a case-by-case basis, for the following reasons:

a. for students identified as disabled under the IDEA, ADA, and Section 504 of the Rehabilitation Act of 1973, upon recommendation from the group of persons knowledgeable of the student's educational needs;

or

b. other extenuating circumstances, including, but not limited to, the academic and disciplinary history of the student, including the student's response to the imposition of any prior discipline imposed for behavioral problems.

If at the time of the expulsion, there are fewer days remaining in the school year than the number of days of the expulsion, the Superintendent may apply any or all of the remaining period to the following school year.

B. "Permanent exclusion" shall mean the student is banned forever from attending a public school in the State of Ohio. (See Policy 5610.01)

18

If a student is expelled for more than twenty (20) school days or for any period of time that extends into the next school year, the Superintendent shall provide the student and his/her parents with the names, addresses, and telephone numbers of those public or private agencies in the community which offer programs or services that help to rectify the student's behaviors and attitudes that contributed to the incident(s) that caused the expulsion.

Suspension or Expulsion of Students in Grades Pre-Kindergarten through 3

Beginning with the 2019-2020 school year, except as permitted by law, suspension or expulsion proceedings shall not be initiated against a student in any of grades Pre-kindergarten through three unless the student has committed the following acts:

- A. The student brings a firearm or knife capable of causing serious bodily injury to a school building or on to any other property (including a school vehicle) owned, controlled, or operated by the Board, to an interscholastic competition, an extra-curricular event, or to any other school program or activity that is not located in a school or on property that is owned or controlled by the Board, or possesses a firearm or knife capable of causing serious bodily injury at school or on any other property (including a school vehicle) owned, controlled, or operated by the Board, at interscholastic competition, an extra-curricular event, or at any other school program or activity that is not located in a school or on property that is owned or controlled by the Board.
- B. The student commits an act at school, on other school property, at an interscholastic competition, extra-curricular event, or any other school program or activity and the act: 1) would be a criminal offense if committed by an adult; and 2) results in serious physical harm to person(s) as defined in R.C. 2901.01(A)(5), or to property as defined in R.C. 2901.01(A)(6).

C. The student makes a bomb threat to a school building or to any premises at which a school activity is occurring at the time of the threat.

D. The student engages in behavior of such a nature that suspension or expulsion is necessary to protect the immediate health and safety of the student, the student's fellow classmates, the classroom staff and teachers, or other school employees.

Prior to suspending or expelling a student in any of grades Pre-K through 3, the Principal shall, whenever possible, consult with a mental health professional under contract. If the events leading up to the student's suspension or expulsion from school indicate that the student is in need of additional mental health services, the student's Principal or the District's mental health professional shall assist the student's parent or guardian with locating providers or obtaining such services, including referral to an independent mental health professional, provided such assistance does not result in a financial burden to the District or the student's school.

If a student in any of grades Pre-K through 3 is suspended or expelled, the student shall be afforded the same notice and hearing, procedural, and educational opportunities as set forth in Board policy and the law. The suspension or expulsion of a student in any of grades Pre-K through 3 shall not limit the Board's responsibilities with respect to the provision of special education and related services to such student in accordance with Board policy and the law. Further, the Board shall not be limited in its authority to issue an in-school suspension to a student in any of grades Pre-K through 3, provided that the in-school suspension is served in a supervised learning environment.

If the Superintendent determines that a student's behavior on a school vehicle violates school rules, s/he may suspend the student from school bus-riding privileges for the length of time deemed appropriate for the violation and remediation of the behavior. Any such suspension must comply with due process and the Student Code of Conduct/Student Discipline Code.

The Board authorizes the Superintendent to provide for options to suspension/expulsion of a student from school which may include alternative educational options.

The Superintendent shall initiate expulsion proceedings against a student who has committed an act that warrants expulsion under Board policy even if the student withdraws from school prior to the hearing or decision to impose

19

the expulsion. The expulsion must be imposed for the same duration it would have been had the student remained enrolled.

The Board may temporarily deny admittance to any student who has been expelled from the schools of another Ohio district or an out-of-state district, if the student's expulsion period set by the other district has not expired. The expelled student shall first be offered an opportunity for a hearing. This provision also applies to a student who is the subject of a power of attorney designating the child's grandparent as the attorney-in-fact or caretaker authorization affidavit executed by the child's grandparent and is seeking admittance into the schools of this District in accordance with Policy 5111.

The Board may temporarily deny admittance to any student who has been suspended from the schools of another Ohio district, if the student's suspension period set by the other district has not expired. The suspended student shall first be offered an opportunity for a hearing before the Board.

When a student is expelled from this District, the Superintendent shall send written notice to any college in which the expelled student is enrolled under Postsecondary Enrollment Options at the time the expulsion is imposed. The written notice shall indicate the date the expulsion is scheduled to expire.

If the expulsion is extended, the Superintendent shall notify the college of the extension.

The Superintendent may require a student to perform community service in conjunction with or in place of a suspension or expulsion. The Board may adopt guidelines to permit the Superintendent to impose a community service requirement beyond the end of the school year in lieu of applying the expulsion into the following school

year.

Searches

In accordance with Policy 5771, school officials may search a student or a student's property when there are reasonable grounds to suspect the presence of contraband that violates the law or school rules. Dogs trained in the detection of illegal drugs and/or weapons may patrol school facilities and premises. A dog altering to an object is considered reasonable grounds for a search. Vehicles on school property are also subject to search. Student lockers are the property of the Board and are subject to search based on reasonable suspicion of the violation of the law or school rules and to random searches without regard to reasonable suspicion.

Times and Places Applicable

Unless otherwise noted in the individual section, this code shall be applicable to any conduct: on school grounds or property adjacent to school grounds; during, before and after school hours, on school grounds at any other time when the school or the school grounds are being used by a school-related group; off school grounds at a school-sponsored activity, function or event; on a school bus or conveyance; or at any other time when the student is subject to the authority of the school. The rules and standards also apply to conduct off school premises which is connected to activities or incidents that have occurred on school property. The notice shall also specify that if the student, parent, guardian, or custodian intends to appeal the suspension to the Board or its designee, such notice of appeal shall be filed, in writing, with the Treasurer of the Board or the Superintendent

The procedure to pursue such appeal will be provided in regulations approved by the Superintendent. Notice of appeal must be filed, in writing, with the Treasurer or the Superintendent within five (5) calendar days after the date of the notice to suspend.
