District Mission Statement

The Mission of the Wadsworth City Schools, in cooperation with families, school personnel, and community, is to provide an education in a safe environment that will enable all students to reach their highest potential.

- We believe that all students have a right to an education that provides an opportunity to reach their highest potential in an ever-changing global community.
- We believe that each student's education should lead to responsible citizenship and a productive, meaningful life.
- We believe that education should be conducted in a safe environment – mentally, physically, emotionally, and socially.
- We believe families, school personnel, and the community should accept joint responsibility for educational needs of students.
- We believe that our schools should provide the best resources possible to meet the current and future needs of students.

While many of these handbook policies, procedures, and fees are outlined, the administration reserves the right to adjust, add, or delete policies, procedures, or fees during the school year if it serves the best interests of the district.

VISITORS

We welcome parent involvement and encourage your support. For the safety of all students, visitors must enter the main doors by the office and buzz to request entrance. All guests must give their name and reason for visiting before being admitted to the building. Once in the office visitors will be asked to sign in.

Visitors joining students for lunch must provide identification and be listed as a contact on the student's Final Forms.

ATTENDANCE REQUIREMENTS

EXCUSED ABSENCES:

Absence from school may at times be necessary. Below are acceptable reasons to be excused for missing school as prescribed by statutes of the State of Ohio:

1. personal illness (a written physician's statement verifying the illness may be required);
2. illness in the family necessitating the presence of the child;
3. quarantine of the home;
4. death in the family;
5. necessary work at home due to absence or incapacity of parent(s)/guardian(s);
6. observation or celebration of a bona fide religious holiday;
7. out-of- state travel (up to a maximum twenty-four (24) hours per school year that the student's school is open for instruction) to participate in a District-approved enrichment or extracurricular activity;
8. such good cause as may be acceptable to the Superintendent;
9. medically necessary leave for a pregnant student in accordance with Policy 5751; and
10. service as a precinct officer at a primary, special or general election in accordance with the program set forth in Policy 5725.

All absences, both excused and unexcused, are counted with the attendance requirement.

REPORTING ABSENCES

- Parents are required to call the school prior to 9:30 A.M. in order to report their child's absence. Attendance lines have a 24 hour a day voicemail and calls can be made anytime to report an absence.
- A written note signed by the parent or notification to the office is required if the child is dismissed during the school day.

- Parents must sign students in and out at the office if they arrive late or are dismissed early.
- If a parent doesn't call the school when the child is absent, that child will be marked as truant until a note from home is sent to the office explaining the absence.

An unexcused absence occurs when a parent/guardian notifies the school of an absence but it does not fall into one (1) of the categories listed under excused absence above.

A student is marked truant when a parent/guardian does not contact the school and does not respond when a call is placed notifying the parent/guardian that a student is not in school.

A student who misses thirty (30) or more consecutive hours, forty-two (42) or more hours in a month or seventy-two (72) hours in a school year without a legitimate excuse is considered habitually truant and is referred to an Absence Intervention Team.

The Absence Intervention Team, which includes the student's parent/guardian(s), creates a plan to assist with the student's attendance issues. Legitimate excuses are those defined under excused absence.

LATE STUDENTS

- If your child arrives after 9:05 AM, he/she must be signed in by an adult in the main office.

EARLY DISMISSAL OF PUPILS

- Students who will be leaving early should provide a note with time of dismissal to be sent to the office in the morning when advance notice is possible.
- All students are to be picked up and signed out in the office by a parent/guardian or other adult identified by parent.
- A note signed by the doctor/dentist is needed to verify appointments in order to be counted as an excused absence.

VACATION

- Students are permitted to go on vacation during the school year without penalty except the week of state mandated testing. The purpose of this administrative guideline is to accommodate parents who must take their vacations during the school year and the desire to enjoy that time as a family.

- Whenever a proposed absence-for-vacation is requested, parents must discuss it with the principal. The length of absence should be made clear.
- The district will only approve a student's absence for a vacation when she/he will be in the company of his/her own parent or other family relatives but not other students' parents, unless there are extenuating circumstances deemed appropriate by the principal.
- Prior to the vacation you must send written notification to the principal in order for the absence to be reviewed and approved. Student attendance will be reviewed prior to approval granted.

- If there is a change in transportation plans, a written note by the parent/guardian must be submitted to the office identifying the day(s) of the change in transportation. **IF NO NOTE IS RECEIVED, YOUR CHILD WILL BE SENT HOME BY REGULAR MEANS OF TRANSPORTATION.**
- If someone other than a parent/guardian will be picking up student(s), please identify them in the note. That person must have proper identification to show to a school employee before student(s) will be released to him/her.

Wadsworth City School District

Bylaws & Policies

5610 - REMOVAL, SUSPENSION, EXPULSION, AND PERMANENT EXCLUSION OF STUDENTS

The Board of Education recognizes that exclusion from the educational program of the schools, whether by emergency removal, out- of-school suspension, expulsion, or permanent exclusion, is the most severe sanction that can be imposed on a student in this District, and one that cannot be imposed without due process. However, the Board has zero tolerance of violent, disruptive or inappropriate behavior by its students.

No student is to be removed, suspended out-of-school, expelled and/or permanently excluded unless his/her behavior represents misconduct as specified in the Student Code of Conduct/Student Discipline Code approved by the Board. The Code shall also specify the procedures to be followed by school officials when implementing such discipline. In addition to the procedural safeguards and definitions set forth in this policy and the student/parent handbook, additional procedures and considerations shall apply to students

identified as disabled under the IDEA, ADA, and/or Section 504 of the Rehabilitation Act of 1973. (See Policy 5605 "Suspension/Expulsion of Disabled Students.")

Students may be subject to discipline for violation of the Student Code of Conduct/Student Discipline Code even if that conduct occurs on property not owned or controlled by the Board but where such conduct is connected to activities or incidents that have occurred on property owned or controlled by the Board, or conduct that, regardless of where it occurs, is directed at a District official or employee, or the property of such official or employee.

For purposes of this policy and the Student Code of Conduct/Student Discipline Code, the following shall apply:

- A. "Emergency removal" shall be the exclusion of a student who poses a continuing danger to District property or persons in the District or whose behavior presents an on-going threat of disrupting the educational process provided by the District. (See Policy 5610.03 "Emergency Removal")
- B. "Suspension" shall be the temporary exclusion of a student by the Superintendent, principal, assistant principal, or any other administrator from the District's instructional program for a period not to exceed ten (10) school days. Suspension shall not extend beyond the current school year, if at the time a suspension is imposed, fewer than ten (10) days remain in the school year.

The Superintendent may instead require a student to participate in a community service program or another alternative consequence for a number of hours equal to the remaining part of the period of the suspension. The student shall be required to begin such community service program or alternative consequence during the first full week day of summer break.

The Superintendent may develop a list of appropriate alternative consequences, and set forth such list in the applicable guidelines.

In the event, the student fails to complete the required community service or the assigned alternative consequence, the Superintendent may determine the next course of action. Such course of action, however, shall not include requiring the student to serve the remaining time of the suspension at the beginning of the following year.

The procedures for suspension are set forth in the Student Code of Conduct/Student Discipline Code and Policy 5611 - Due Process Rights.

Students are permitted to make up all work missed during a suspension for full credit.

- C. "Expulsion" shall be the exclusion of a student from the schools of this District for a period not to exceed the greater of eighty (80) school days or the number of school days remaining in a semester or term in which the incident that gives rise to the expulsion takes place or for one (1) year as specifically provided in this policy and the Student Code of Conduct/Student Discipline Code. Only the Superintendent may expel a student. The procedures for expulsion are set forth in the Student Code of Conduct/Student Discipline Code and Board Policy 5611 "Due Process Rights".

1. Firearm or Knife

Unless a student is permanently excluded from school, the Superintendent shall expel a student from school for a period of one (1) year for bringing a firearm or knife capable of causing serious bodily injury to a school building or on to any other property (including a school vehicle) owned, controlled, or operated by the Board, to an interscholastic competition, an extra-curricular event, or to any other school program or activity that is not located in a school or on property that is owned or controlled by the Board, except that the Superintendent may reduce this period on a case-by-case basis in accordance with this policy. Similarly, the Superintendent shall expel a student from school for a period of one (1) year for possessing a firearm or knife capable of causing serious bodily injury at school or on any other property (including a school vehicle) owned, controlled, or operated by the Board, at interscholastic competition, an extra-curricular event, or at any other school program or activity that is not located in a school or on property that is owned or controlled by the Board, except the Superintendent may reduce this period on a case-by-case basis in accordance with this policy. The expulsion may

extend, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place. The Superintendent shall refer any student expelled for bringing a firearm (as defined in 18 U.S.C. 921(a)(3)) or weapon to school to the criminal justice or juvenile delinquency system serving the District.

A firearm is defined as any weapon, including a starter gun, which will or is designed to or may readily be converted to expel a projectile by the action of an explosive, the frame or receiver of any such weapon, any firearm muffler or silencer, or any destructive device. A destructive device, includes, but is not limited to any explosive, incendiary, or poison gas, bomb, grenade, rocket having a propellant charge of more than four (4) ounces, missile having an explosive or

incendiary charge of more than one-quarter ounce, mine, or other similar device.

A knife capable of causing serious bodily injury is defined as any weapon or cutting instrument consisting of a blade fastened to a handle; a razor blade; or any similar device (including sharp, metal martial arts weapons such as ninja throwing stars) that is used for, or is readily capable of, causing death or serious bodily injury.

The Superintendent may, in his/her sole judgment and discretion, modify or reduce such expulsion in writing, to a period of less than one(1) year, on a case-by-case basis, upon consideration of the following:

- a. Applicable State or Federal laws and regulations relating to students with disabilities (for example, where the incident involves a student with a disability and the misconduct is determined by a group of persons knowledgeable about the child to be a manifestation of the student's disability);
- b. The degree of culpability given the age of the student and its relevance to the misconduct and/or punishment and/or evidence regarding the probable danger posed to the health and safety of others, including evidence of the student's intent and awareness regarding possession of the firearm or knife capable of causing serious bodily injury and/or
- c. The academic and disciplinary history of the student, including the student's response to the imposition of any prior discipline imposed for behavioral problems.

2. Violent Conduct

If a student commits an act at school, on other school property, at an interscholastic competition, extra-curricular event, or any other school program or activity and the act:

- a. would be a criminal offense if committed by an adult;

and

- b. results in serious physical harm to person(s) as defined in R.C. 2901.01(A)(5), or to property as defined in R.C. 2901.01(A)(6)

the Superintendent may expel the student for a period of up to one (1) year. The Superintendent may extend the expulsion into the next school year or reduce the expulsion as necessary on a case-by-case basis as specified below. The student

need not be prosecuted or convicted of any criminal act to be expelled under this provision.

The Superintendent may, in his/her sole judgment and discretion, reduce such expulsion to a period of less than one (1) year, on a case-by-case basis, upon consideration of the following:

- a. Applicable State or Federal laws and regulations relating to students with disabilities (for example, where the incident involves a student with a disability and the misconduct is determined by a group of persons knowledgeable about the child to be a manifestation of the student's disability);

or

- b. other extenuating circumstances, including, but not limited to, the academic and disciplinary history of the student, including the student's response to the imposition of any prior discipline imposed for behavioral problems.

If at the time of the expulsion, there are fewer days remaining in the school year than the number of days of the expulsion, the Superintendent may apply any or all of the remaining period to the following school year.

1. Bomb Threats

If a student makes a bomb threat to a school building or to any premises at which a school activity is occurring at the time of the threat, the Superintendent may expel the student for a period of up to one (1) year. The Superintendent may extend the expulsion into the next school year or reduce the expulsion as necessary on a case-by-case basis as specified below. The student need not be prosecuted or convicted of any criminal act to be expelled under this provision.

The Superintendent may, in his/her sole judgment and discretion, reduce such expulsion to a period of less than one (1) year, on a case-by-case basis, for the following reasons:

- a. for students identified as disabled under the IDEA, ADA, and Section 504 of the Rehabilitation Act of 1973, upon recommendation from the group of persons knowledgeable of the student's educational needs;

or

- b. other extenuating circumstances, including, but not limited to, the academic and disciplinary history of the student, including the student's response to the imposition of any prior discipline imposed for behavioral problems.

If at the time of the expulsion, there are fewer days remaining in the school year than the number of days of the expulsion, the Superintendent may apply any or all of the remaining period to the following school year.

"Permanent exclusion" shall mean the student is banned forever from attending a public school in the State of Ohio. (See Policy 5610.01)
If a student is expelled for more than twenty (20) school days or for any period of time that extends into the next school year, the Superintendent shall provide the student and his/her parents with the names, addresses, and telephone numbers of those public or private agencies in the community which offer programs or services that help to rectify the student's behaviors and attitudes that contributed to the incident(s) that caused the expulsion.

If the Superintendent determines that a student's behavior on a school vehicle violates school rules, s/he may suspend the student from school bus-riding privileges for the length of time deemed appropriate for the violation and remediation of the behavior. Any such suspension must comply with due process and the Student Code of Conduct/Student Discipline Code.

The Board authorizes the Superintendent to provide for options to suspension/expulsion of a student from school which may include alternative educational options.

The Superintendent shall initiate expulsion proceedings against a student who has committed an act that warrants expulsion under Board policy even if the student withdraws from school prior to the hearing or decision to impose the expulsion. The expulsion must be imposed for the same duration it would have been had the student remained enrolled.

The Board may temporarily deny admittance to any student who has been expelled from the schools of another Ohio district or an out-of-state district, if the student's expulsion period set by the other district has not expired. The expelled student shall first be offered an opportunity for a hearing. This provision also applies to a student who is the subject of a power of attorney designating the child's grandparent as the attorney-in-fact or caretaker authorization affidavit executed by the child's grandparent and is seeking admittance into the schools of this District in accordance with Policy 5111.

The Board may temporarily deny admittance to any student who has been suspended from the schools of another Ohio district, if the student's suspension period set by the other district has not expired. The suspended student shall first be offered an opportunity for a hearing before the Board.

When a student is expelled from this District, the Superintendent shall send written notice to any college in which the expelled student is enrolled under Postsecondary Enrollment Options at the time the expulsion is imposed. The written notice shall indicate the date the expulsion is scheduled to expire.

If the expulsion is extended, the Superintendent shall notify the college of the extension.

The Superintendent may require a student to perform community service in conjunction with or in place of a suspension or expulsion. The Board may adopt guidelines to permit the Superintendent to impose a community service requirement beyond the end of the school year in lieu of applying the expulsion into the following school year.

Searches

In accordance with Policy 5771, school officials may search a student or a student's property when there are reasonable grounds to suspect the presence of contraband that violates the law or school rules. Dogs trained in the detection of illegal drugs and/or weapons may patrol school facilities and premises. A dog altering to an object is considered reasonable grounds for a search. Vehicles on school property are also subject to search. Student lockers are the property of the Board and are subject to search based on reasonable suspicion of the violation of the law or school rules and to random searches without regard to reasonable suspicion.

Times and Places Applicable

Unless otherwise noted in the individual section, this code shall be applicable to any conduct: on school grounds or property adjacent to school grounds; during, before and after school hours, on school grounds at any other time when the school or the school grounds are being used by a school-related group; off school grounds at a school-sponsored activity, function or event; on a school bus or conveyance; or at any other time when the student is subject to the authority of the school. The rules and standards also apply to conduct off school premises which is connected to activities or incidents that have occurred on school property. The rules and standards also apply to any misconduct, regardless of where it occurs, that is directed at a District employee or official or the property of such employee or official.

2. The student will be provided an opportunity for an informal hearing to challenge the reason for the intended suspension and to explain his/her actions.
3. An attempt will be made to notify parents or guardians by telephone if a suspension is issued.

The notice will include the reasons for the suspension and the right of the student, parent, guardian, or custodian to appeal to the Board or its designee; the right to be represented at the appeal; and the right to request the hearing be held in executive session if before the Board. The notice shall also specify that if the student, parent, guardian, or custodian intends to appeal the suspension to the Board or its designee, such notice of appeal shall be filed, in writing, with the Treasurer of the Board or the Superintendent within five (5) calendar days after the date of the notice to suspend. Appeal of Suspension to the Board or its designee

The student who is eighteen (18) or older or the student's parent(s) or guardian(s) may appeal the suspension to the Board or its designee. They may be represented in all such appeal proceedings.

A verbatim record will be kept of the hearing which may be held in executive session at the request of the student, parent, or guardian, if held before the Board.

The procedure to pursue such appeal will be provided in regulations approved by the Superintendent. Notice of appeal must be filed, in writing, with the Treasurer or the Superintendent within five (5) calendar days after the date of the notice to suspend.

While a hearing before the Board may occur in executive session, the Board must act in public.
