2019 WADSWORTH H.S. FOOTBALL TEAM CAMP June 3rd – June 7th

- Monday June 4th through Wednesday June 6th will be similar to a “2-A-Day.”
 - This is a no contact camp; however, all players will need to have a **completed physical**.
 - On Monday, Tuesday & Wednesday players will report to the High School for a **8:30 a.m.** start and will be finished at **2:00 pm**
 - Players should pack a small snack for the 1-hour break between practices.
 - Players should also bring a pair of extra socks to change between the two practices.
- Thursday, June 6th we will ask the players to report to the high school at **9:00 AM**.
 - Players should pack enough clothing items for 3 practices along with clothes to lounge and relax in.
 - Extra sports drinks/water and snacks should also be considered.
- The players will stay overnight in tents on the football practice field Thursday and then depart on Friday morning at 9:00 AM. If we have inclement weather, the players will stay in the gym.
- We are asking that all players be dropped off for the overnight portion of the camp. If a player must drive, his keys will need to be turned into Coach Todd on Thursday and will be returned on Friday. There will be no leaving the Wadsworth High School premises unless an emergency arises.
- Families are needed to help provide food for the players; we will organize the meal and contact you once the sign-up sheet is complete.
- The cost of the camp is **\$10**; the money will be used to help offset cost of feeding the team and camp shirts.
 - We are looking for help feeding the team during the following time period:

Our team camp is structured very similar to “Spring Ball” that you find at the college level. It is intended for returning players to the high school team, incoming freshman, and also upper classmen **interested** in joining the 2019 Wadsworth Grizzly football team. As a staff we encourage players who want to be a part of the 2019 football team to attend this camp; a majority of our offense and defense will be installed during the week. All of the information our players receive at camp will be re-taught during two-a-days but at a more rapid pace. It will be to the benefit of the player to learn the offense and defense before we enter mandatory practices. This is an important week for our football program but is not a mandatory requirement to play in 2019.

Please fill out the information below and return to Coach Todd as soon as possible so proper arrangements can be made for the camp. Again, if you have any questions or concerns, please feel free to contact me at any time.
