

# **Covid19 and Illness in schools**

# COVID-19 Symptoms

Help prevent the spread of COVID-19

**You may have COVID-19 if you experience one or more of the following:**

- Fever or chills.
- Cough.
- Shortness of breath or difficulty breathing.
- Fatigue.
- Muscle or body aches.
- Headache.
- Loss of taste or smell.
- Sore throat.
- Congestion or runny nose.
- Nausea or vomiting.
- Diarrhea.

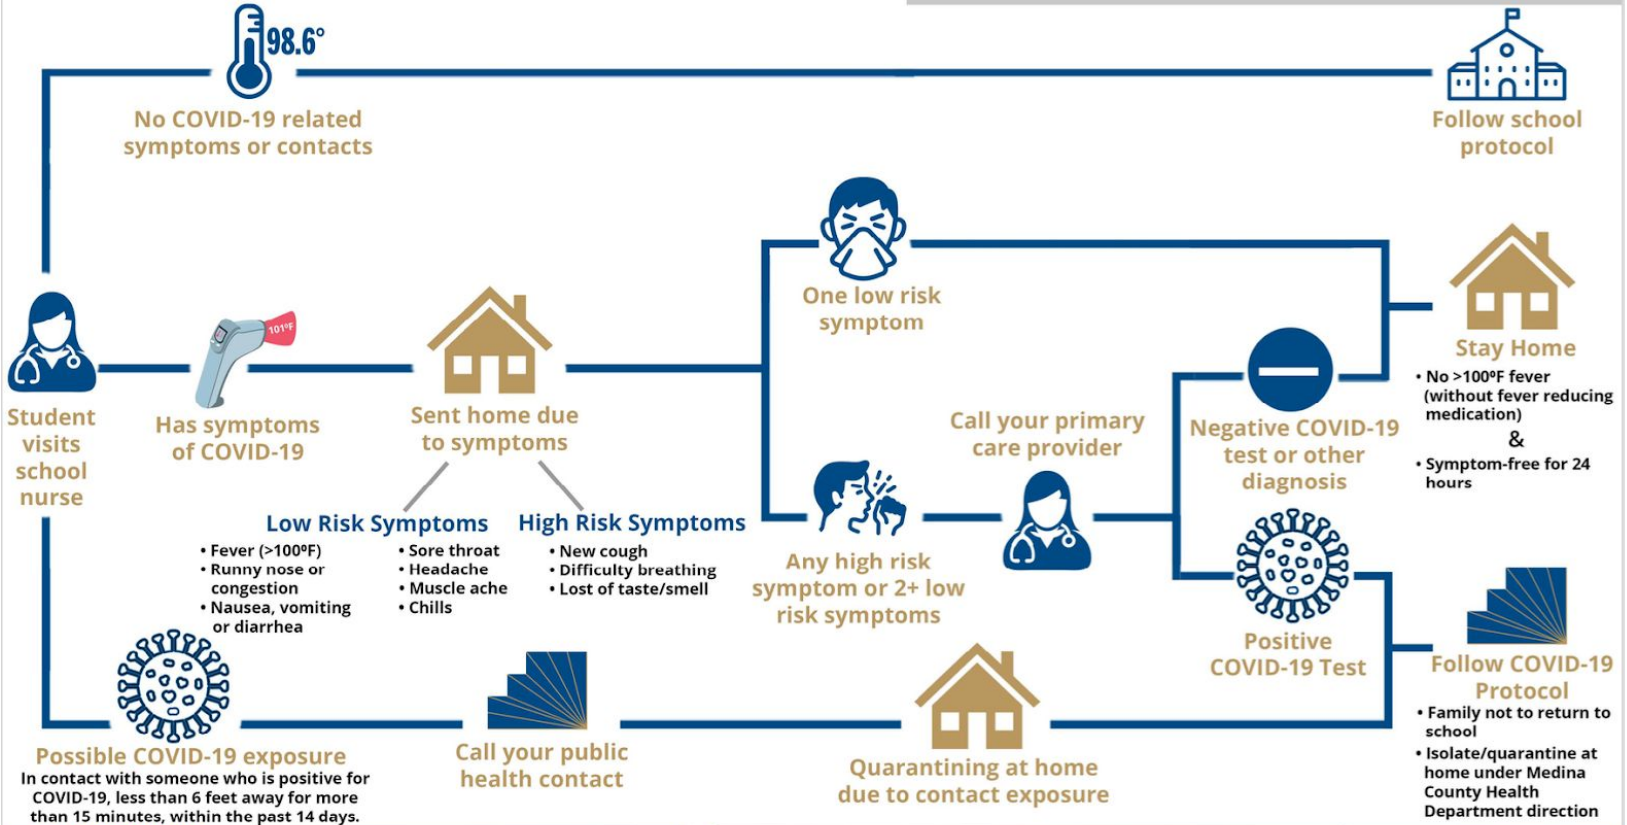

**Symptoms range from mild to severe and may appear two to 14 days after exposure to the virus.**

# Screening at home for Covid19

- **Students are to have temperatures taken daily before coming to school.**
- **Students are to be fever free for 24 hours without fever reducing medication.**
- **Students cannot be at school with any illness that could possibly be a symptom of Covid19.**
- **If a student develops any symptoms that could be a symptom of Covid19 at school, they will be sent home to be monitored more closely.**

# Protocol for a student that becomes ill at school

- If a student complains of illness, the teacher will call the school clinic.
- Clinic staff will come to the classroom to assess the student outside of the classroom.
- Once the student is assessed for signs and symptoms of illness, the clinic staff will escort the student to the clinic or the designated Covid room resulting from the assessment.
