

## 2021 Overlook PTO Board Position Ballot

Committee: Jillian Shipley, Andrea Lovell, Megan Postak, Erin Simpson

### Nominations for President 2021-2023:

Dana Day

Hi, I'm Dana Day and I'm running for Overlook PTO President. I'm a full-time working mom and my husband and I have a son in 5th grade and a daughter in 2nd grade so Overlook has been our home for a long time. Giving back to my community has always been important to me and I truly value what the Overlook PTO has done over the years. I've previously served on the Board as Secretary and have chaired and volunteered for numerous initiatives at the school over the years. As my family's time at Overlook ends in two years, I'd really like to share my ideas, leadership, support and dedicated attention as President of the PTO Board. I look forward to (hopefully) more normal academic years in the near future and desperately want to engage old members of the PTO, encourage new membership and really look to the PTO members for THEIR suggestions on how the PTO would best support the students, faculty and staff at Overlook. Our PTO is about so much more than fundraising; it's about building upon the great community relationships that already exist in our remarkable elementary school. I believe my dedicated participation and leadership over the years has proven my willingness to work with and listen to others. I have a strong desire to give to Overlook as PTO President for the next two years because our school has given my family so much. Thanks in advance for your consideration.

Cadie Shaffer

My name is Cadie Shaffer. I have a 7-year-old boy in 1st grade at Overlook and a 5-year-old girl who will be starting kindergarten in the Fall. I have been married to my husband Eric for 9 years and I work part time as a Scrub Tech in the operating room at Akron General's Health and Wellness Center in Bath. I have been there for 11 ½ years and I love it!

I am excited to be running for PTO President as I enjoy playing an active role at my children's school and helping in any way that I can. I am always finding new ways to bring people together and fun new activities for the children to enjoy. Since I've joined the PTO, I've enjoyed helping with donation requests from area businesses, organizing the monthly raffles, helping with the classroom ambassadors and also being one myself the past two years. I have also assisted in the carnival planning committee, the virtual spirit sale and I organized the first annual Egg My Yard fundraiser!

I am passionate about volunteering. I was Chair of The American Heart Association's Auction Committee for the Cleveland Heart Ball in 2019. I am also in a support group for cardiac arrest survivors aiming to raise enough funds to purchase AED's for local area schools who cannot afford them. As President, I will always keep an open mind to everyone's input and accept new and fun ideas to keep the PTO awesome! Thank you!

### Nominations for Secretary 2021-2023:

Rachel Hess

My family and I have lived in Wadsworth for the past 15 years. We are grizzly fans! I love being a part of the Wadsworth community and have thoroughly enjoyed/enjoy watching my kids play youth, middle and high school sports over the years. My son Dane is a 1st grader at Overlook, my daughter is a senior at WHS and the oldest is a student at Ohio State. I work as a nurse practitioner and have been seeing older adult patients in their homes for the past 10 years. I have been involved in PTO since my older children were in elementary school and this year I am also serving on the WHS prom parent committee (hoping these seniors get a prom this spring!!). In addition, I volunteer for St Vincent de Paul society. In my free time I enjoy working in my yard, baking and hanging out with my kids, husband, friends and extended family.

Thank you for considering me for the Overlook PTO secretary position!

Lisa Moore

Lisa Moore joined the Overlook PTO when her daughter started kindergarten in the district after her family moved to Wadsworth in 2018. Her past involvement with the Overlook PTO included assisting with the Walk-a-thon and Dr. Seuss Carnival, and serving as a co-Room Ambassador for the 2019-20 school year. Next fall, Lisa will have two daughters attending Overlook, one in third grade and another starting preschool. Professionally, Lisa is a senior development manager in the Marketing department at Charles Schwab. She's involved with various work-related organizations and service projects, such as volunteering for Cricket Together as a virtual mentor for elementary-aged children, Junior Achievement, Akron Children's Hospital, and the Valentine Project. Lisa has been married to Mike, a 2000 Wadsworth graduate, for 10 years.
