

PTO Minutes, February 21, 2019

Recorded by Jessica Maag

CTO: 9:38 am, Jenna Williams

Review of the January Minutes, Approved Motion, Karen, 2nd, Matt

Presidents notes, Jenna Williams

-Transportation Luncheon is 4/21. We will need to coordinate our donations once United gets us the info. Taco bar.

- Winter Carnival- Lessons were learned, overall great event and lots of fun. For next time, a better ticket redemption system, and less food, as well as high school volunteers. More planning time next year will also help, and December meeting will double as Carnival planning meeting.

VP Report, Jessica Maag

- Conference meal went well, teachers' enjoyed it.
- Mother Son Night committee formed and plans have begun. 3/20-7-8:30pm.

Finances, Sherri Dahlem:

Book Fair: Spring book fair might be held in music room. Now large enough to warrant volunteers assigned from Scholastic.

-Because of the walkathon move to fall, the budget is in a tight situation. May need to change wording on the bylaws to give us a cushion. Sending a letter to previous donors to earmark for fall or donate ahead.

-Need to decrease line budget for Box Tops. New online system not producing good results. Karen H mentioned that CIS is now collecting plastic lids instead via Stacy Knoblett who used to run our Box Tops.

- Clinic Budget. Clinic has asked for additional funds to purchase undies and socks and leggings. Jessica M suggests clothing donations instead of admission to Mother Son night, and we will proceed with that and then see where we stand.

- Teacher requests:

* 4th grade still needs white shirts for tie dye. Suggest white version of IshAm Awesome shirt that already has a design at A-1.

* Lukens, \$100 for autograph Dogs. Items discussed in light of extra field trip funds in December. Vote approved Motion Karen Hamilton, Second Bambi Bowser with Dissent noted by Sherri Dahlem Who feels the funds should be strictly educational.

*McKinley Museum funds, Motion, Matt Second, Karen.

*Ticket Discussion for 4th grade. Tabled for March Meeting, pending details.

Watts:

- \$3500 grant for sensory relief/counseling room.

- COSI on Wheels went great. Loved the Universe theme and plenty of help.

- Very happy with the Carnival

- Wax Museum had 41 kids participate.

- parent helper needed for Library shelving, Discussed a possible book mark system.

- new ELA series coming

- Momentum Award and All A Award. Places Isham in the top 2% of the state and with far less funds than some of the other local schools like Solon and Hudson.

- building wide, Test Scores are great.

- Talent Show, 3rd and 4th grade. 3/12, 3/16, 3/20, 3/26th.

Motion to Adjourn, Matt. 2nd, Jessica

Meeting Adjourned 10:46am, Jenna Williams
