Grading Scale & Class Rank

Wadsworth High School uses a weighted grading scale to calculate grade point averages (GPA). All subjects are used when computing this GPA. Courses taken prior to 9th grade with high school credit awarded will be factored into the GPA.

Note: beginning with the 2015-16 school year, College Credit Plus courses in core subject areas will be weighted an additional 1.0 point - the same scale as AP. College Credit Plus foreign language will be weighted on the Honor's scale.

Wadsworth High School will not calculate exact rank for students. Percentage data (decile) rank will be available upon student request.

Advanced Placement Courses:

Wadsworth High School offers 12 Advanced Placement courses: Art, Biology, Calculus, Computer Science, Chemistry, Economics, English Language, English Literature, Government, Physics, Statistics, and U.S. History. Students are not limited to the number of AP courses they may take. In May 2018, a total of 533 exams were taken in 12 subjects. 69% received scores of 3 or higher.

Honors Courses are offered in the English, Math, Language, Career-Tech, and Science Departments.

College Credit Plus courses offering dual credit in core curriculum subjects (math, English, science, and social studies) will be weighted on the 5.0 grading scale. College Courses outside the core subjects offering high school elective credit will not be weighted. However, foreign language will be weighted on the Honor's scale.

Career Tech & Tech Prep

Wadsworth is part of the Four Cities Educational Compact. Students may earn college credit in many of the 21 career-tech programs available.
