VI. Administrative Discussion Items, Presentations, and Updates

A. Addition of Parking Spaces at Overlook Elementary School: With approval of the Lewis Land Professionals proposals for professional engineering services tonight (Action Consent Item No. 16), twenty-three (23) parking spaces will be added at Overlook Elementary School this summer. Currently, we have more employees at Overlook Elementary School than parking spaces.

B. Multipurpose Facility Construction: Construction on the multipurpose facility began on Monday, June 5 on our high school property. Construction is scheduled for completion by the end of September.

C. Installation of Turf at the Track Stadium: The preparation work necessary to install the turf at the track stadium field has begun. While weather dependent, the target date of completion is July 1. During the construction, the track is closed to the public.

D. Art Wright Stadium North Entrance Construction: The construction to the north entrance at Art Wright Stadium is nearing completion. Pillars and a fence, identical to the south entrance, have been installed. The gates and sign are all that remain to be completed. We would like to thank our anonymous donors who fully funded this project.

E. STEM and Coding Summer Camps: Due to generous grants from the Martha Holden Jennings Foundation, the Four Cities Compact, and NASA, we will again be offering summer STEM and coding camps. Online registration began at 8:00 a.m. on June 1. To register, please visit our district website at www.wadsworthschools.org.

Both camps are open to students enrolled in Wadsworth, Copley, Norton, or Barberton City Districts during the 2016-2017 school year or registered for the 2017-2018 school year. Coding Camp will be held July 17-21 from 9:00 a.m. - 12:00 p.m. at Wadsworth High School and is open to students entering grades 1-12 in the 2017-2018 school year. STEM Camp will be July 24-28 from 9:00 a.m. - 12:00 p.m. at Wadsworth High School and is open to students entering grades 1-9 in the 2017-2018 school year. Students can only attend one camp. The cost per student is $35 which includes registration, t-shirt, and unlimited fun! Space is limited and spots will be filled on a first come, first serve basis. To request a financial hardship waiver form, please contact the Department of Instruction at 330-335-1315.

F. Pastoral Counseling Services: This past school year, our district worked with Dr. Byron Arledge and Mrs. Ann Robson from Pastoral Counseling Services (PCS) in Akron to embed a licensed therapist, Ms. Jennifer Gogolek, in Lincoln Elementary School and Central Intermediate School at no cost to our school district. Ms. Gogolek saw students that were referred to her by our guidance counselors, teachers and/or administrators (who received parent/guardian approval before making the referral). PCS then billed the student’s insurance for payment. In this arrangement, our school district gained much
needed access to therapy for our students while providing PCS a place to offer it (a location that removed barriers families may have in getting help for their child, e.g., transportation). Due to the number of students Ms. Gogolek saw this past school year, not only at Lincoln and CIS, but our other six (6) buildings as well, PCS is planning to add another therapist in the fall. The new therapist will be based out of the middle and high schools.

G. **Literacy on the Lawn:** A group of our elementary teachers and administrators have created the Literacy on the Lawn summer reading program. Those involved included: Bethany Kovacevich, Katie Titus, Lindsay Kelley, Kim Kirven, Vicki Fugate, Ashley Marshall, Taylor Pifer, Hope Zakany, Joy Love, Krista Jones, Kristen Rodkey, Chris Roberts, Nance Watts, Steve Brady, Roger Havens, Erin Simpson and Michele Evans.

Each elementary school has a schedule of events for the program. More details can be found by clicking the links provided below:

<td>A group of teachers and administrators finished a program at the College of William &amp; Mary. They received their gifted endorsement from the Ohio Department of Education. With more teachers holding the gifted endorsement, our principals are able to get more creative and deliberate with how they schedule gifted services (e.g. see discussion on CIS in Item #4 of this update). Michele Evans, Pepper Bates and a group of middle and high school science teachers created a compacted science curriculum that allows certain middle school students to take two (2) years’ worth of science in 7th grade and physical science for high school credit in 8th grade. This started in the fall of 2016.</td>

### VII. Administrative Items

#### A. Personnel Consent Items

1. **Employments**

### At their March 2016 meeting, the board of education accepted the Delayed Start Time Committee’s recommendation to not move forward with the concept but to allow the committee to continue to educate our community on the importance of sleep for adolescents.

### School/Community Relations

#### Communication

An evaluation of our district communication methods is ongoing. I contacted our comparable school districts (as determined by ODE) to gather ideas on how they communicate with their school families and community. For the most part, the methods we utilize are either aligned with how the other districts communicate or are more numerous and varied when compared to the other districts.

### Technology

#### Phone System

The district phone system was replaced last summer.

#### ITC Exploration

The ITC Committee recommended, and the board of education approved, switching from TCCSA to NEOnet, over a transition period beginning on July 1, 2017 and ending on July 1, 2018.

#### Student Information System Analysis

The committee finished their work and decided it was best to stay with DASL for now. The committee will review this decision again in the future.

#### District Website

The board of education approved a contract with SchoolPointe to redesign our website. The target date for completion of the redesign is August of 2017.

#### Replace Interactive Whiteboards

We have purchased 70” 4k LCD touch-enabled panels (TV’s) to be mounted where the building smartboards are at present at the Middle School and Franklin Elementary School. Installation will be completed summer 2017, and Central Intermediate and Lincoln Elementary will be completed throughout the school year of 2017-2018.
a) **Angel Kusmits:** Ms. Kusmits is being recommended to fill the high school chemistry teacher position left open by the retirement resignation of Mr. William Schmeltzer, Sr.

b) **Kelsey Young:** Ms. Young is being recommended to fill the preschool teacher position left open by the resignation of Mrs. Christen Eberhardt.

c) **Haley Hassinger:** Ms. Hassinger is being recommended to fill the elementary intervention specialist position that was created during the 2016-2017 school year when an emotional disturbance unit was added at Lincoln Elementary School. The position was filled with a substitute teacher during the 2016-2017 school year.

d) **Diane Westerburg:** Ms. Westerburg is being recommended to fill the part-time elementary art position left open when Ms. Amy Gager left our district. The position was filled with a substitute teacher (Ms. Westerburg) during the 2016-2017 school year.

e) **Austin J. Hanna:** Mr. Hanna is being recommended to fill the high school mathematics teacher position left open by the resignation of Mr. Greg Dennison.

f) **Christine Race:** Ms. Race is being recommended to fill the Auxiliary Clerk position at Sacred Heart of Jesus School left open by the retirement resignation of Myra Migioni. By law, the Wadsworth City School District is the fiscal officer for Sacred Heart of Jesus School’s auxiliary service money.

g) **Laura Kerstetter:** Ms. Kerstetter is being recommended to fill the Secretary to the Director of the Four Cities Compact position left open by the retirement resignation of Mrs. Kathy Furman. The position will become part-time in August of 2017.

h) **Jennifer Swain:** Ms. Swain is being recommended to fill the two (2) hour lunch/recess aide position at CIS left open by the retirement resignation of Ms. Barbara Ricciardi.

i) **Lisa Stadvec:** Ms. Stadvec is being recommended to fill the health aide position at Lincoln Elementary School left open by the resignation of Mrs. Liz Mendel.

j) **Laura Boyert:** Ms. Boyert is being recommended to fill the school psychologist position left open by the resignation of Ms. Molly Ryan.

k) **Abbey Martin:** Ms. Martin is being recommended to fill the 6th grade teacher position left open by the transfer of Ms. Kristina Nichol to the middle school science teacher position left open by the retirement resignation of Ms. Patricia Nahrstedt.

l) **Joyce Walker:** Ms. Walker is being recommended to fill the Director of Student Services position left open by the resignation of Ms. Kristen Prough.
6. **Reduction in Staff of Penny Schlairet:** The reduction in staff of Ms. Penny Schlairet being recommended for approval is necessary because the health services she was providing a student are no longer required.

B. **Action Consent Items**

1. **Medina County Drug Abuse Commission (MCDAC) Grant:** The MCDAC grant in the amount of $78,121.00, funded by the MCDAC/Anti-Drug Levy, being recommended for approval includes the funding of a part-time guidance counselor at the elementary school level in lieu of the Prevention Specialist position for the third school year in a row. The classroom lessons previously taught by the Prevention Specialist will continue during the 2017-2018 school year.

2. **Medina County Educational Service Center Service Agreement Amendment:** The Educational Service Center of Medina County Service Agreement Amendment for the 2016-2017 school year reduces the amount of special education aide services purchased by $22,439.00.

3. **The University of Akron Articulation Agreement:** The Articulation Agreement between the University of Akron and the Four Cities Compact being recommended for approval outlines the process for the awarding of credits for students who participate in the Four Cities Compact Cosmetology Program.

5. **Alliance for High Quality Education Membership:** The Alliance for High Quality Education membership for the 2017-2018 school year being recommended for approval will allow our district to continue to leverage the lobbying efforts and other resources of this organization. The Alliance for High Quality Education is comprised of districts that are similar to Wadsworth and that have a common interest in advocating for adequacy and objective, cost-related school funding levels. The Wadsworth City School District has been a member of the Alliance for High Quality Education since February of 2014.

8. **2018-2019 and 2019-2020 Revised School Calendars:** The revised 2018-2019 and 2019-2020 school calendars being recommended for approval incorporate changes that resulted from the recent completion of the negotiation process with the Wadsworth Education Association. The changes are as follows:

9. **Discovery Education Subscriber Agreement:** The Subscriber Agreement between Discovery Education, Inc. and the Wadsworth City School District being recommended for approval allows our district to continue to receive Discovery Education streaming in grades K-12 for the 2017-2018 school year.

10. **Ohio High School Athletic Association (OHSAA) Membership:** This recommendation is necessary for our school district to remain a member of the OHSAA during the 2017-2018 school year.

11. **Benefit Provision Manuals:** The revisions to the Wadsworth City School District and Four Cities Compact Benefit Provision Manuals being recommended for approval detail changes in salary, benefits and other terms of employment for the administrators and exempt employees in both the Wadsworth City School District and the Four Cities Compact. The term for the revised benefit provision manuals is August 1, 2017 through July 31, 2020.

12. **Board of Education Policy Revisions:** The policy revisions being recommended for a second reading and formal adoption result from changes required in response to the Every Student Succeeds Act (ESSA) and Electronic Data Gathering, Analysis and Retrieval (EDGAR) or to make our policies compliant with current Ohio High School Athletic Association bylaws.

13. **Board of Education Policy Revision:** The revision to Board of Education Policy 5460, Graduation Requirements, being recommended for approval results from discussion at a recent high school Academic Council meeting. The high school Academic Council discussed the possibility of revising Board of Education Policy 5460, Graduation Requirements.

Currently, Board of Education Policy 5460 states, in part, the following:

"Commencement exercises will include only those students who have successfully completed requirements for graduation as certified by the high school principal or those students who have been deemed eligible to participate in such exercises in accordance with the terms of their IEP. No student who has completed the requirements for graduation shall be denied a diploma as a disciplinary measure. A student may be denied participation in the ceremony of graduation when personal conduct so warrants."

The suggested revision would be as follows (changes in **bold**):
"Commencement exercises will include only those students who have successfully completed requirements for graduation as certified by the high school principal, those students who have been deemed eligible to participate in such exercises in accordance with the terms of their IEP, or students who have successfully completed all graduation requirements except for the attainment of the necessary points required for the graduation pathway that requires the State of Ohio end of course exams.

For students who have completed all graduation requirements except for the attainment of the necessary points required for the graduation pathway that requires the State of Ohio end of course exams, students must have also participated in the test preparation programs offered at Wadsworth High School and have taken the end of course exam(s) every time they were eligible to take them during their junior and senior years. Students who meet this criteria and participate in commencement exercises will not receive their high school diploma; rather, they will receive a certificate of attendance.

No student who has completed the requirements for graduation shall be denied a diploma as a disciplinary measure. A student may be denied participation in the ceremony of graduation when personal conduct so warrants."

The rationale behind the proposed revision is that we believe when a student has met all of our graduation requirements, has taken advantage of every opportunity we offer for additional test preparation and has taken the exam(s) in question every time they are offered during his/her junior and senior years, he/she should be able to participate in commencement exercises with his/her class. While this change will not impact a large number of students (e.g. at our recent commencement we had one (1) student who was excluded from commencement because of state testing), we believe it is a positive move for our students.

14. Breakfast and Lunch Prices for the 2017-2018 School Year: The breakfast and lunch price adjustments being recommended are needed for two (2) reasons: to keep our programs solvent due to increasing supply and labor costs and to comply with the United States Department of Agriculture (USDA) price equity ruling for lunch prices. With the exception of the adult lunch price, we have not increased lunch prices since the 2015-2016 school year and breakfast prices since the 2014-2015 school year.

16. Lewis Land Professionals Inc.: The Professional Engineering Services proposals from Lewis Land Professionals Inc. being recommended for approval allow for the engineering work behind the addition of twenty-three (23) parking spaces at Overlook Elementary School to occur.
17. **2017-2018 School Fees:** The proposed class fees being recommended for approval are the same as the amounts for last school year. They are as follows:

- **K-12:** $30/student
- **WHS Fees:**
  - Intro to Art, Art 2D1 and Art 2Ds: $15/student
  - Art 3D1 and Art 3Ds: $30/student
  - Advanced Art and AP Art: $40/student
  - Basic Electricity: $20/student
  - Foundations of Technology: $20/student
  - Choir: $25
  - Music Appreciation/Theory: $20/student
  - Nutrition and Wellness: $15/student
  - Practical Living: $15/student
  - Senior Fee: $30
  - Science Classes: $10/student
  - Woods 1: $40/student
  - Woods 2: $60/student
  - Woods 3: $60/student

19. **Ohio High School Athletic Association (OHSAA) Tournament Site Agreement:** The OHSAA Tournament Site Agreement for May 15, 2017 covers the OHSAA girls’ regional tournament lacrosse game held at Art Wright Stadium. The agreement details the positions required to be staffed that OHSAA pays the district for (see Personnel Consent Item 2.(j) above).

21 & 22. **Agreement with Windfall Industries:** The agreements with Windfall Industries being recommended for approval provide services to students who require them per their individualized education program.

23. **College Now Greater Cleveland:** The MOU between College Now Greater Cleveland and Wadsworth High School being recommended for approval will allow our school district to continue to offer additional assistance to students and parent/guardian(s) for college financial aid counseling and scholarship services.

25. **Seibert-Keck Agency Risk Management Insurance:** The risk management insurance through SeibertKeck Insurance Agency, Inc. being recommended for approval begins on July 1, 2017 and runs through June 30, 2018. In addition to the renewal rate of $205,379.00, a cyber liability premium of $2,166.00 is being recommended.

26. **Suburban School Transportation Agreement:** The Pupil Transportation Agreement between Suburban School Transportation and the Wadsworth City School District Board of Education being recommended for approval will allow for the transportation of a student to an educational setting outside of our district, per the student’s individualized education program.

28. **Habitat for Humanity of Medina County House Build Partnership Agreement:** The Habitat for Humanity Contract being recommended for approval will allow our
carpentry program to partner with Habitat for Humanity so our students can build a house in Wadsworth during the 2017-2018 school year.
